(57) **CLAIM**

The ornamental design for a foldable rack, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a foldable rack in accordance with an embodiment of our new design;
FIG. 2 is a top plan view of the foldable rack of FIG. 1, shown in a flattened alternate configuration of use;
FIG. 3 is an exploded perspective view of the foldable rack of FIG. 1, shown in an environment of use;
FIG. 4 is a perspective view of the foldable rack of FIG. 1, shown in an installed environment of use;
FIG. 5 is a perspective view of a foldable rack in accordance with a second embodiment of our new design; and,
FIG. 6 is a top plan view of FIG. 5, shown in a flattened configuration of use.
It is understood that the broken lines in the drawings depict environmental subject matter only and form no part of the claimed design.

1 Claim, 6 Drawing Sheets
