(57) **CLAIM**

We claim ornamental designs for the light bulb heat sink, as shown and described.

DESCRIPTION

FIG. 1 illustrates an isometric perspective view **100** of an isometric perspective view of a light bulb heat sink according to an exemplary embodiment of the present invention.

FIG. 2 illustrates a top orthographic perspective view **200** of a light bulb heat sink according to an exemplary embodiment of the present invention.

FIG. 3 illustrates a bottom orthographic perspective view **300** of a light bulb heat sink according to an exemplary embodiment of the present invention.

FIG. 4 illustrates a side orthographic perspective view **400** of a light bulb heat sink according to an exemplary embodiment of the present invention; and,

FIG. 5 illustrates an isometric perspective view **500** of an isometric perspective view of a light bulb heat sink according to an exemplary embodiment of the present invention.

The broken line showing of the other bulb portions is included for the purpose of illustrating only and forms no part of the claimed design.
