(57) **CLAIM**

The ornamental design for an injector display with graphical user interface, as shown and described.

DESCRIPTION

The sole FIGURE is a front view of an injector display with graphical user interface showing our new design. The broken line showing of the injector display and numerals are included for the purpose of illustrating portions of the article and form no part of the claimed design. The broken line showing of the injector is included for the purpose of illustrating environmental structure and forms no part of the claimed design.

1 Claim, 1 Drawing Sheet
