CLAIM

The ornamental design for a display screen with graphical user interface, as shown and described.

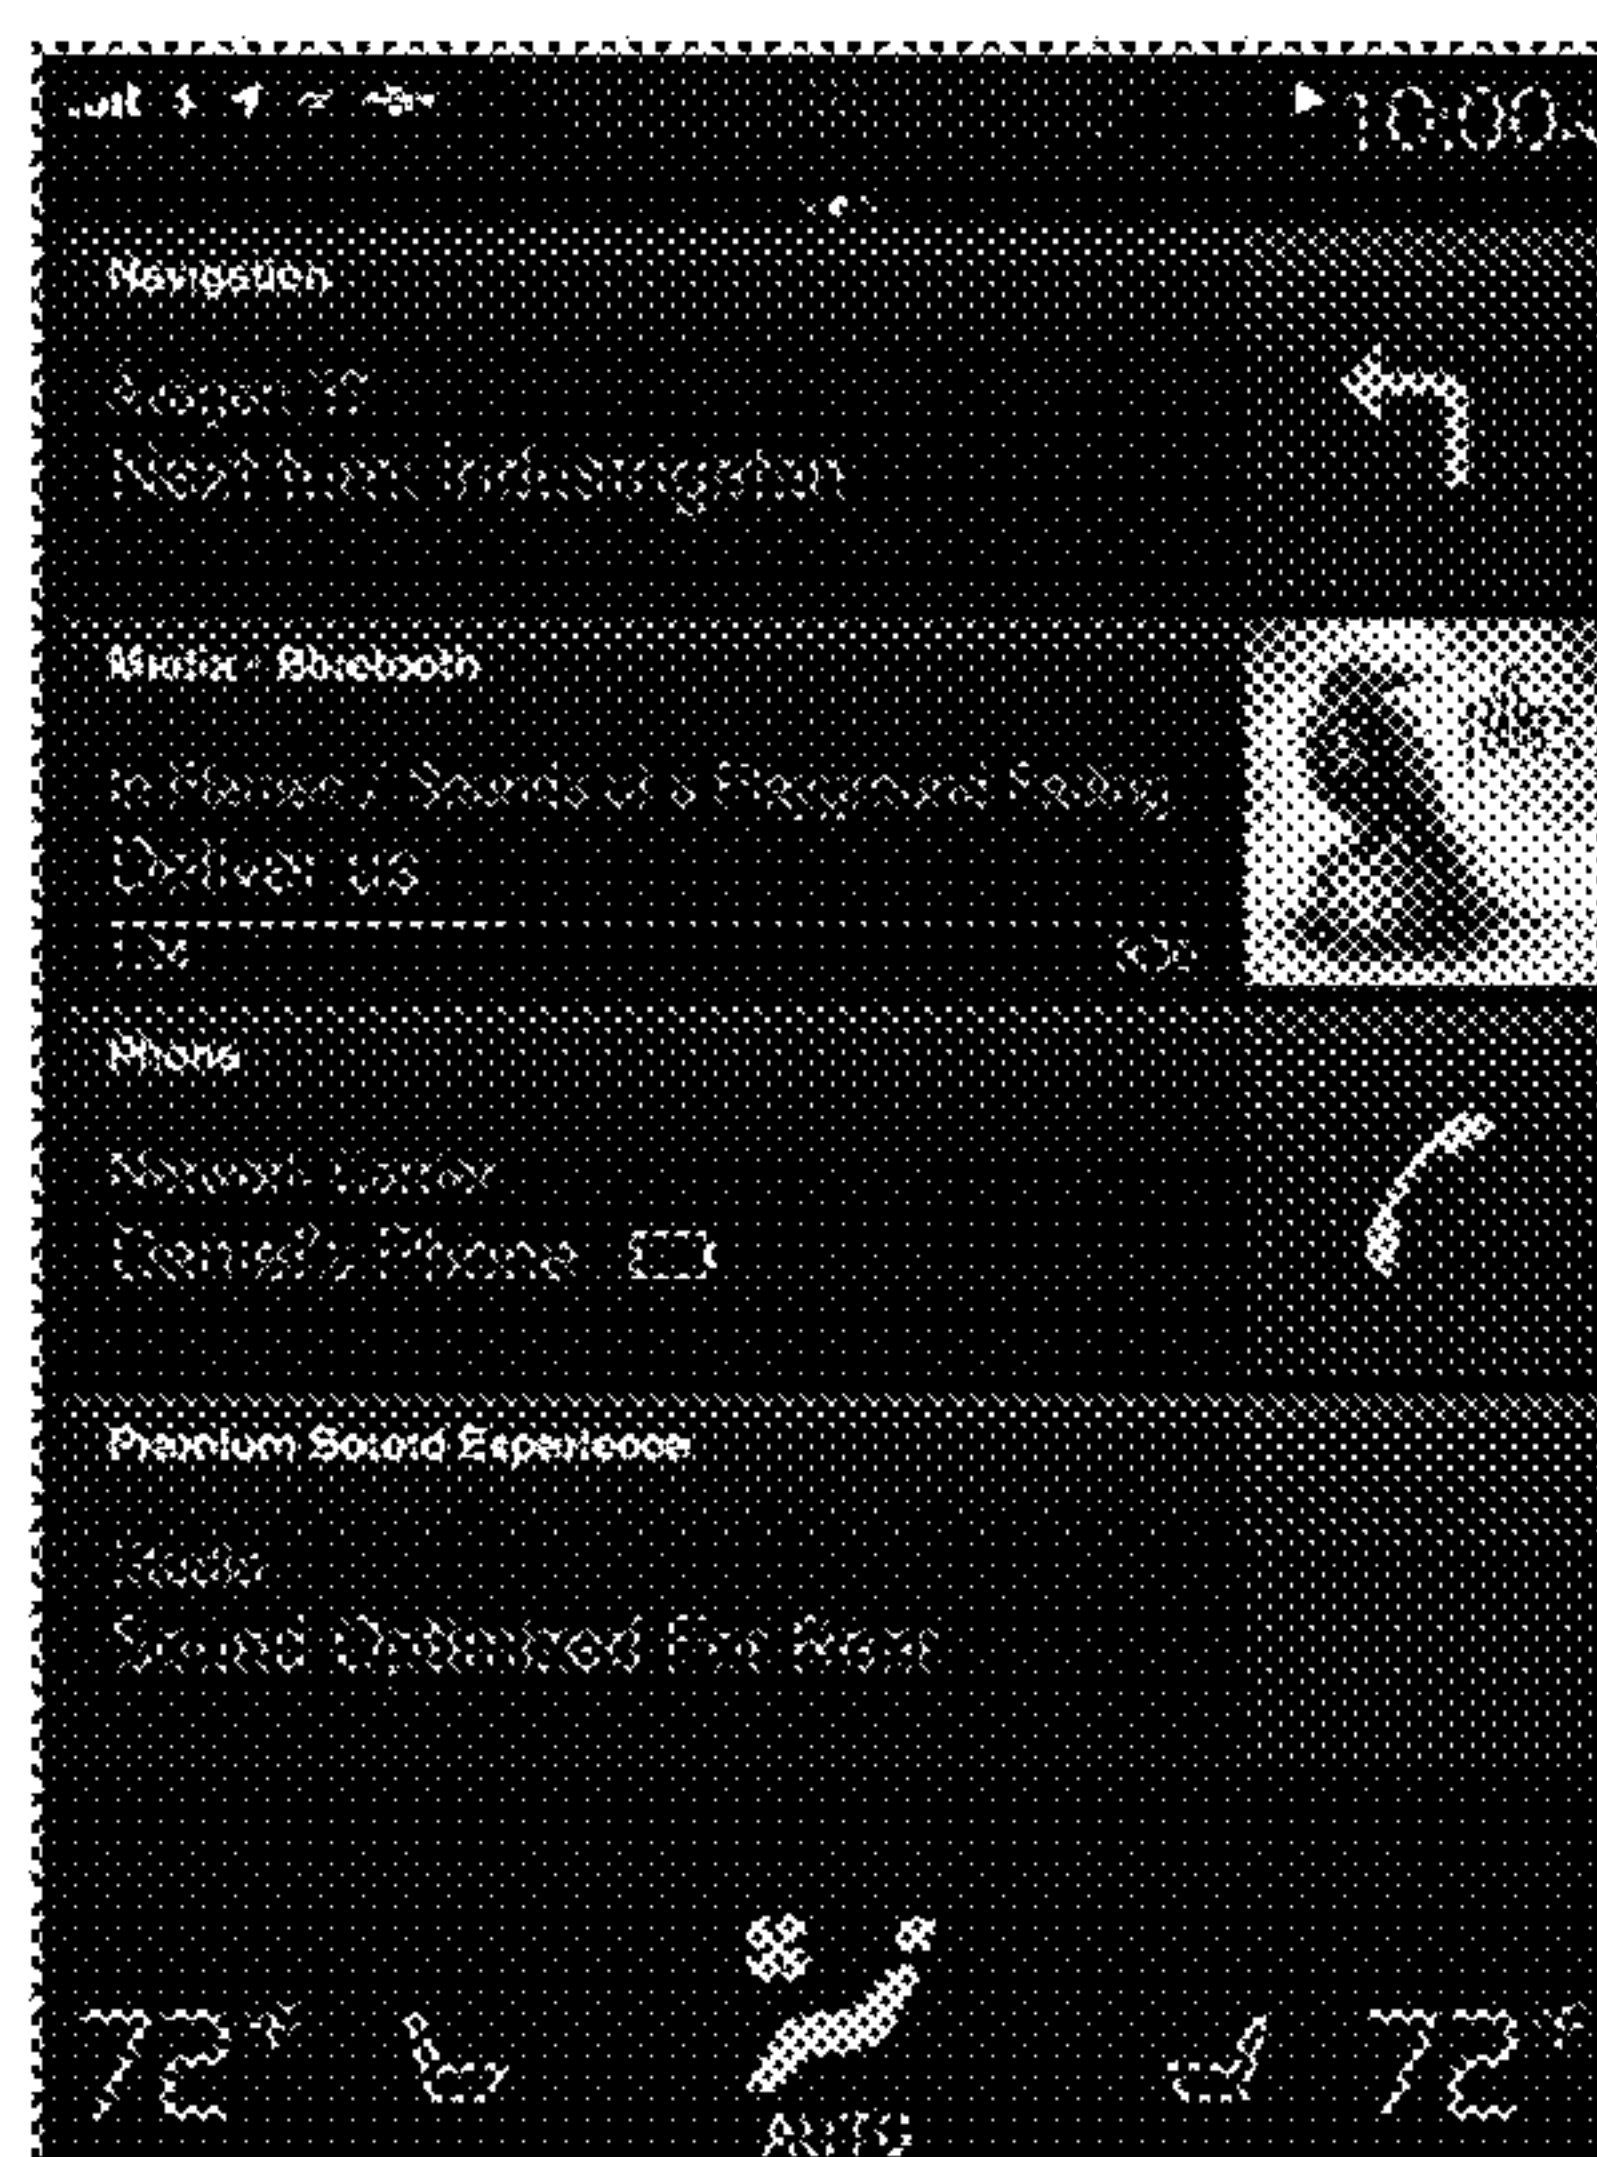

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

The sole FIGURE is a front view of a display screen with graphical user interface showing my design.

The broken line shown in the figure represents the display screen and forms no part of the claimed design.
