The broken lines in the figures show portions of the display screen or portion thereof with animated graphical user interface which form no part of the claimed design.
The broken line showing of the oven in FIG. 8 is for environmental purposes only and forms no part of the claimed design.
The dot-dash broken lines in the figures represent a boundary and form no part of the claimed design.
The appearance of the display screen or portion thereof with animated graphical user interface sequentially transitions between the images shown in FIGS. 1 through 7. The subject matter of this patent includes a process or period in which an image changes into another image. This process or period forms no part of the claimed design.
