(57) **CLAIM**

The ornamental design for welding machine, as shown and described.

DESCRIPTION

The file of this patent contains at least one drawing/photograph executed in color. Copies of this patent with color drawing(s)/photograph(s) will be provided by the Office upon request and payment of the necessary fee.

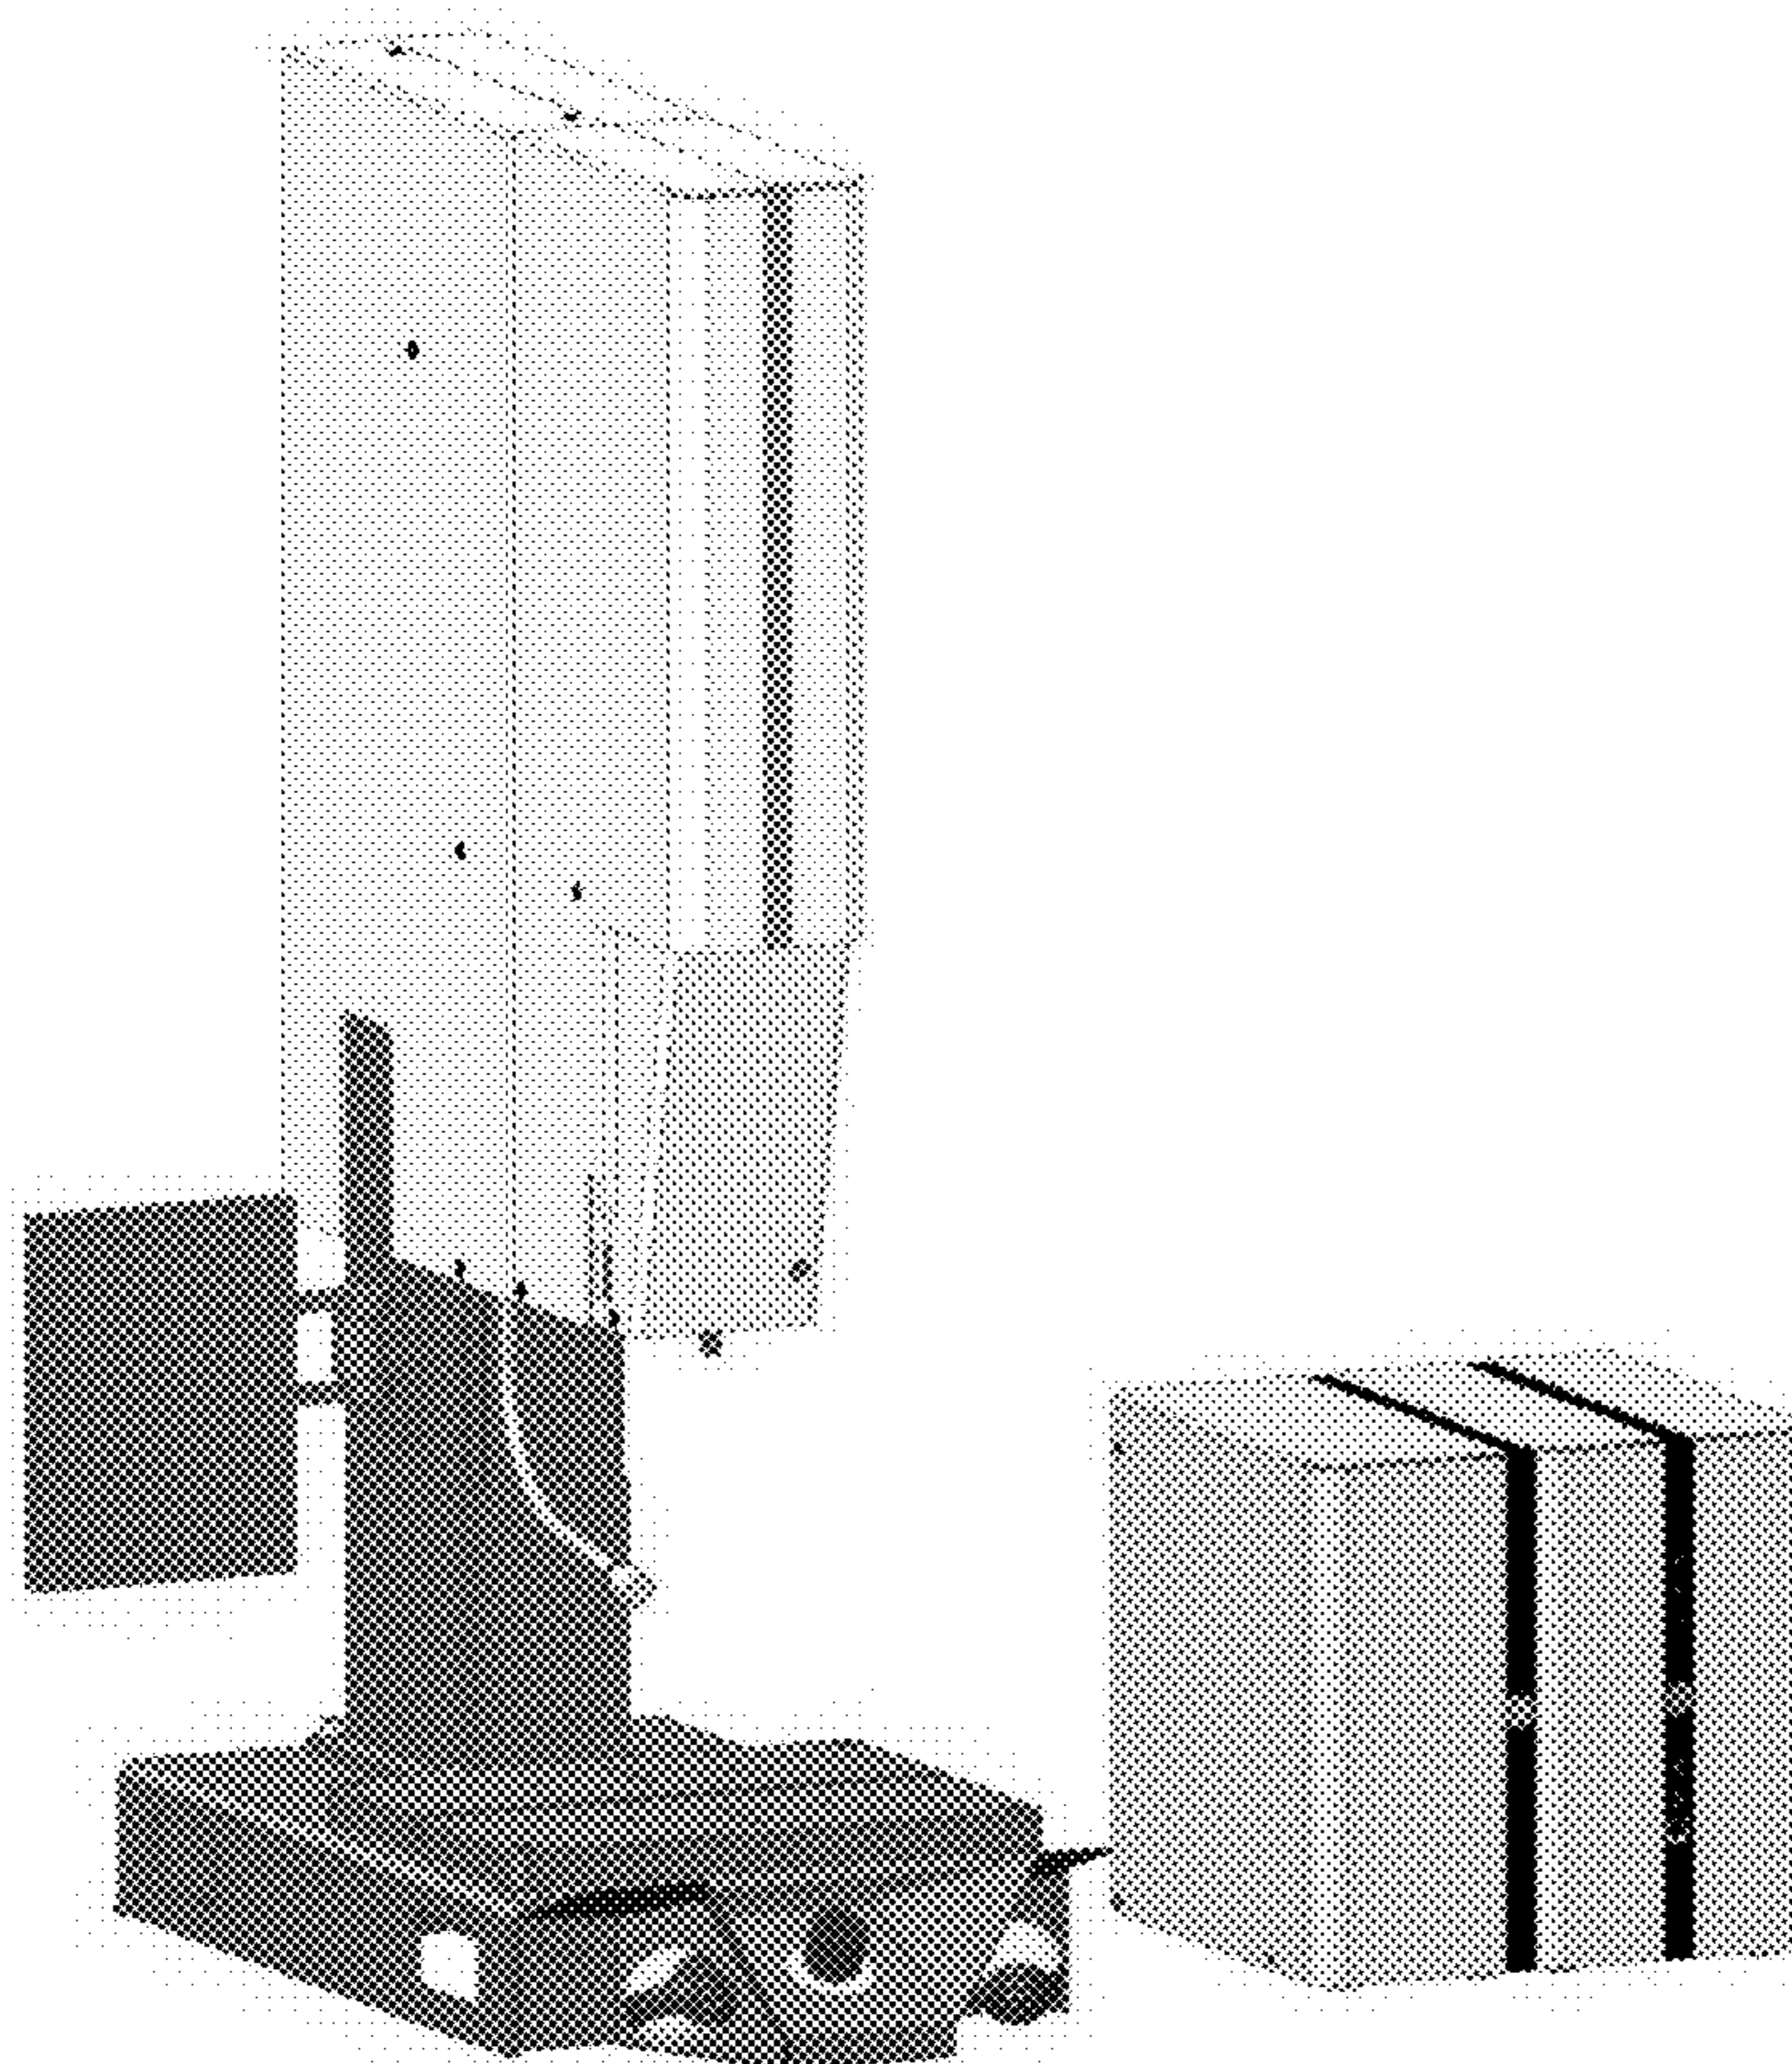

1. Welding machine

1.1 is a left perspective view of the welding machine;

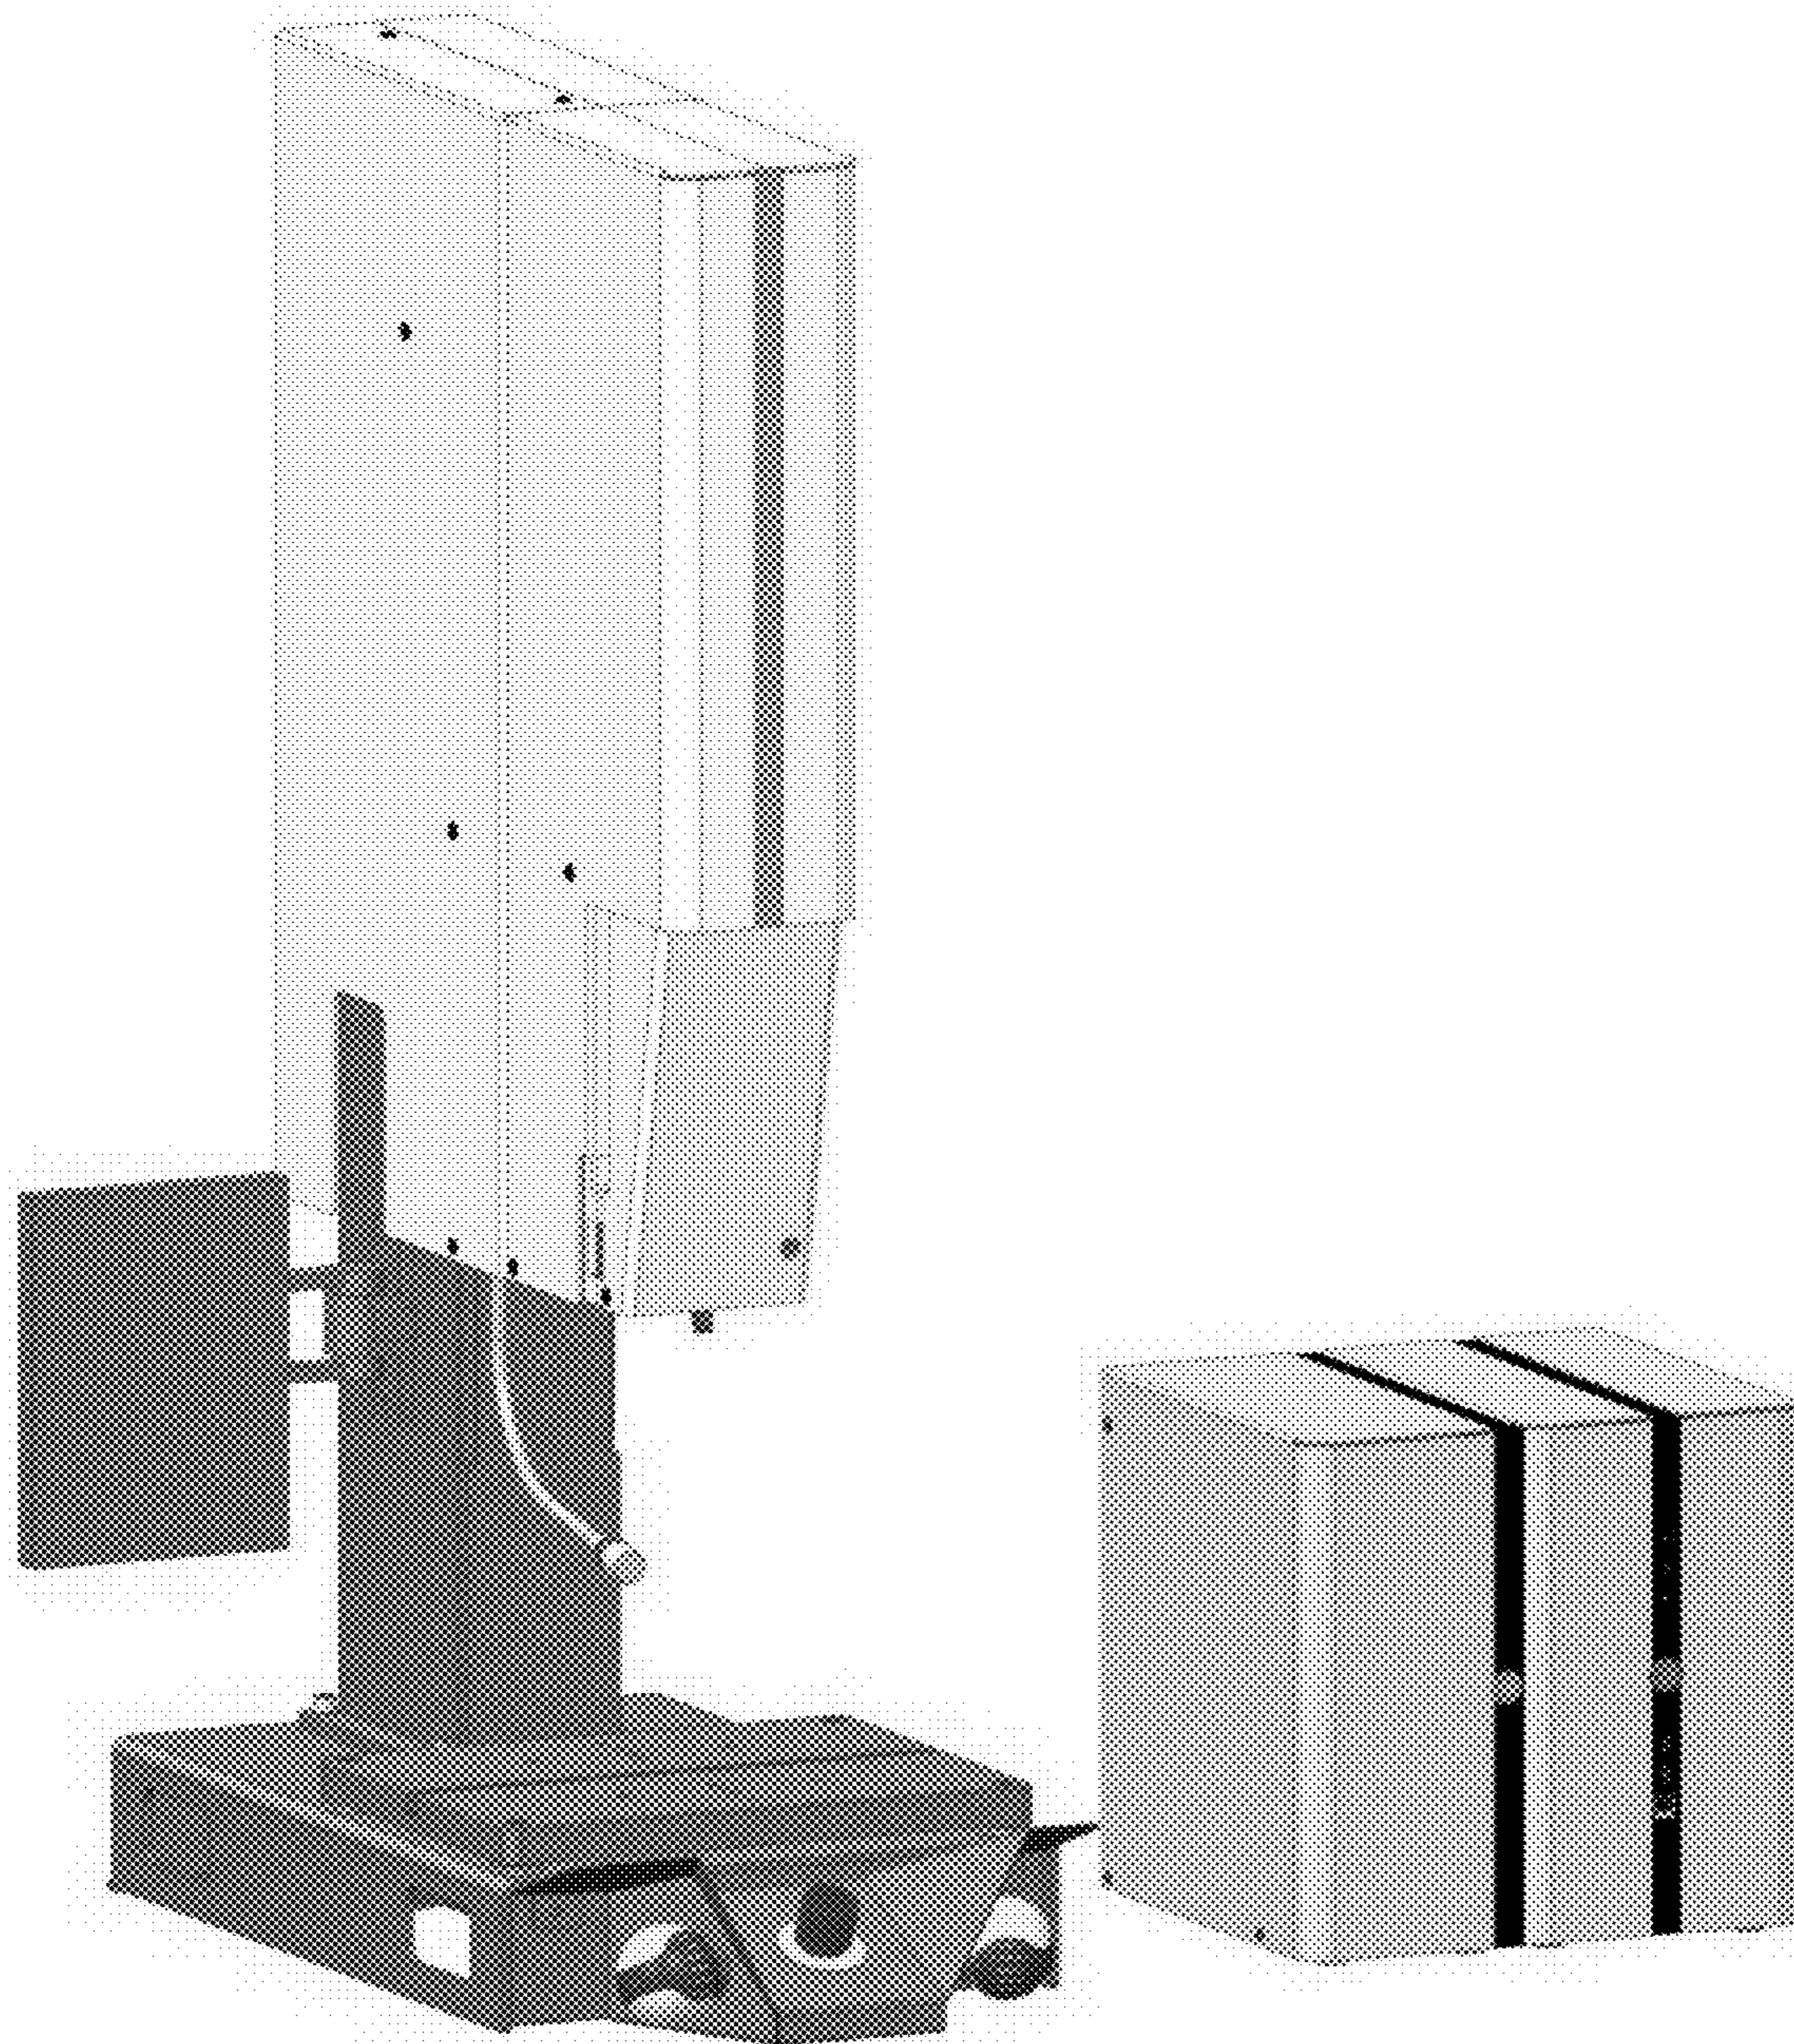

1.2 is a right perspective view of the welding machine.

Ultrasonic welding machine including an indicator light that shines green when ready and red when there is a technical fault.
