(57) **CLAIM**

The ornamental design for a delivery system cassette, as
shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a delivery system cassette
showing our new design;

FIG. 2 is a front elevation view of the delivery system cas-
sette;

FIG. 3 is a back elevation view of the delivery system cassette;

FIG. 4 is a left side elevation view of the delivery system
cassette;

FIG. 5 is a right side elevation view of the delivery system
cassette;

FIG. 6 is a top plan view of the delivery system cassette; and,
FIG. 7 is a bottom plan view of the delivery system cassette.

The broken lines in the drawings illustrate portions of the
delivery system cassette that form no part of the claimed
design.
