(57) **CLAIM**

The ornamental design for a stretch device, as shown and described.

**DESCRIPTION**

FIG. 1 is a front perspective view of a stretch device, shown being used for stretching a user's muscles, with an attached rubber foot sleeve, a user's foot with partial leg, and attached massage device, showing our new design;  
FIG. 2 is a front perspective view thereof, shown in context with attachable massage device;  
FIG. 3 is a rear perspective view thereof, shown in context with attachable massage device;  
FIG. 4 is a front elevation view thereof;  
FIG. 5 is a rear elevation view thereof;  
FIG. 6 is a side elevation view thereof, the opposite side being a mirror image thereof;  
FIG. 7 is a top plan view thereof; and,  
FIG. 8 is a bottom plan view thereof.  
The broken lines showing the user's foot with partial leg, rubber foot sleeve and massage device are for the purpose of illustrating environmental structure and form no part of the claimed design.
