See application file for complete search history.

(57) **CLAIM**

I claim the ornamental design for an elastomeric tubular drawstring casing, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view showing my new design;  
FIG. 2 is a front view thereof, with the back view, bottom view, and top view being identical thereto;  
FIG. 3 is a right side view, with the left side view being identical thereto;  
FIG. 4 is a front view thereof;  
FIG. 5 is a front view showing my new design in a partially rolled configuration, with the back view, bottom view, and top view being identical thereto;  
FIG. 6 is a left side view showing my new design in a partially rolled configuration;  
FIG. 7 is a right side view showing my new design in a partially rolled configuration;  
FIG. 8 is a perspective view showing a second embodiment of my new design;  
FIG. 9 is a front view of the second embodiment, with the back view, bottom view, and top view being identical thereto; and,  
FIG. 10 is a right side view of the second embodiment, with the left side view being identical thereto.  
The drawstring depicted by broken lines in FIG. 4 has been shown for the purpose of illustrating environment that forms no part of the claimed design.
