(57) **CLAIM**

The ornamental design for a package with surface ornamentation, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

The sole FIGURE shows a front view of a package with surface ornamentation showing our new design.

The peripheral dashed broken lines represent boundaries of the claimed design; the peripheral dashed broken lines themselves form no part of the claimed design.

The thickness of the package forms no part of the claimed design.

Depth forms no part of the claimed design.
