*Assistant Examiner* — Dana K Weiland

(57) **CLAIM**  
The ornamental design for a display screen or portion thereof with graphical user interface, substantially as shown and described.

**DESCRIPTION**

The FIGURE is a front view of a display screen or portion thereof with graphical user interface showing our new design. The long broken lines in the drawings show portions of a display screen or a portion thereof that form no part of the claimed design. The short broken lines show portions of the graphical user interface that form no part of the claimed design.
