(57) **CLAIM**

The ornamental design for a connector for a canopy system, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a connector used for connecting a canopy piece to a wire.

FIG. 2 is a back view of the connector used for connecting a canopy piece to a wire.

FIG. 3 is a right side view of the connector used for connecting a canopy piece to a wire.

FIG. 4 is a left side view of the connector used for connecting a canopy piece to a wire.

FIG. 5 is a top view of the connector used for connecting a canopy piece to a wire; and,

FIG. 6 is a bottom view of the connector used for connecting a canopy piece to a wire.

The broken lines are included for environmental purposes only and form no part of the claim.
