CLAIM

I claim the ornamental design for an electronic device, as shown and described.

DESCRIPTION

FIG. 1 is a top front perspective view of an electronic device; FIG. 2 is a bottom perspective view of the electronic device; FIG. 3 is a front view of the electronic device; FIG. 4 is a rear view of the electronic device; FIG. 5 is a left side view of the electronic device, the right side view of the electronic device being a mirror image of the left side view thereof; and, FIG. 6 is a top plan view of the electronic device, the bottom plan view of the electronic device being identical to the top plan view thereof.
The shade lines in the Figures show contour and not surface ornamentation of the claimed design.
