**DESCRIPTION**

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee. FIG. 1 is a front view of a display screen or portion thereof with a graphical user interface of the new design; and, FIG. 2 is an alternate view thereof. The broken line showing of a display screen or portion thereof illustrates portions of the article, and forms no part of the claimed design.
