FIG. 1 is a front view of a display screen or portion thereof with graphical user interface showing the graphical user interface enlarged and separate for clarity of illustration; and, FIG. 2 is a front view of a display screen or portion thereof with graphical user interface.

Additionally, the Applicant notes that the diagonal broken lines in FIGS. 1-2 illustrate a contrast in appearance.

The outer broken line showing of the display screen or portion thereof and all other broken lines showing portions of the graphical user interface are included for the purpose of illustrating portions of the article and form no part of the claimed design.

1 Claim, 2 Drawing Sheets
