(57) **CLAIM**

The ornamental design for a display screen or portion thereof with a set of graphical user interface, as shown and described.

DESCRIPTION

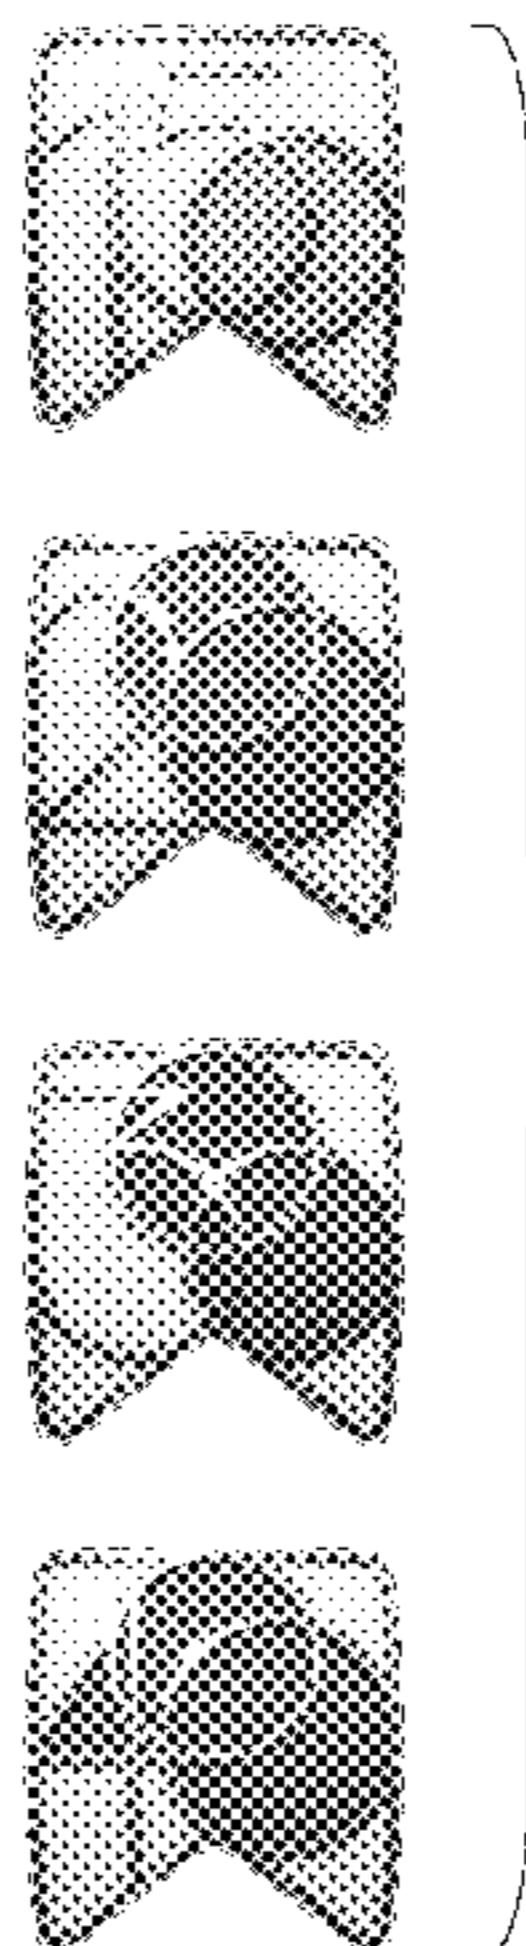

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

The FIGURE is a front view of a display screen or portion thereof with a set of graphical user interfaces showing our new design.

The broken lines in the FIGURE show a display screen or portion thereof, and form no part of the claimed design.

The graphical user interface set of the FIGURE is arranged relatively on the drawing sheet for the convenience of illustration and the relative positioning forms no part of the claimed design.
