(57) **CLAIM**

The ornamental design for a textile substrate with surface ornamentation, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee. The FIGURE is a front view of a textile substrate with surface ornamentation showing the new design. The broken lines surrounding the design represent the boundaries of the claim and form no part thereof. Thickness and depth form no part of the claimed design.
