(57) **CLAIM**

I claim the ornamental design for a mobile device case, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of the mobile device case in an opened position.

FIG. 2 is a top end down back perspective view of the mobile device case in an opened position.

FIG. 3 is back view of the mobile device case in an opened position.

FIG. 4 is a front view of the mobile device case in an opened position.

FIG. 5 is a right side view of the mobile device case in an opened position.

FIG. 6 is a left side view of the mobile device case in an opened position.

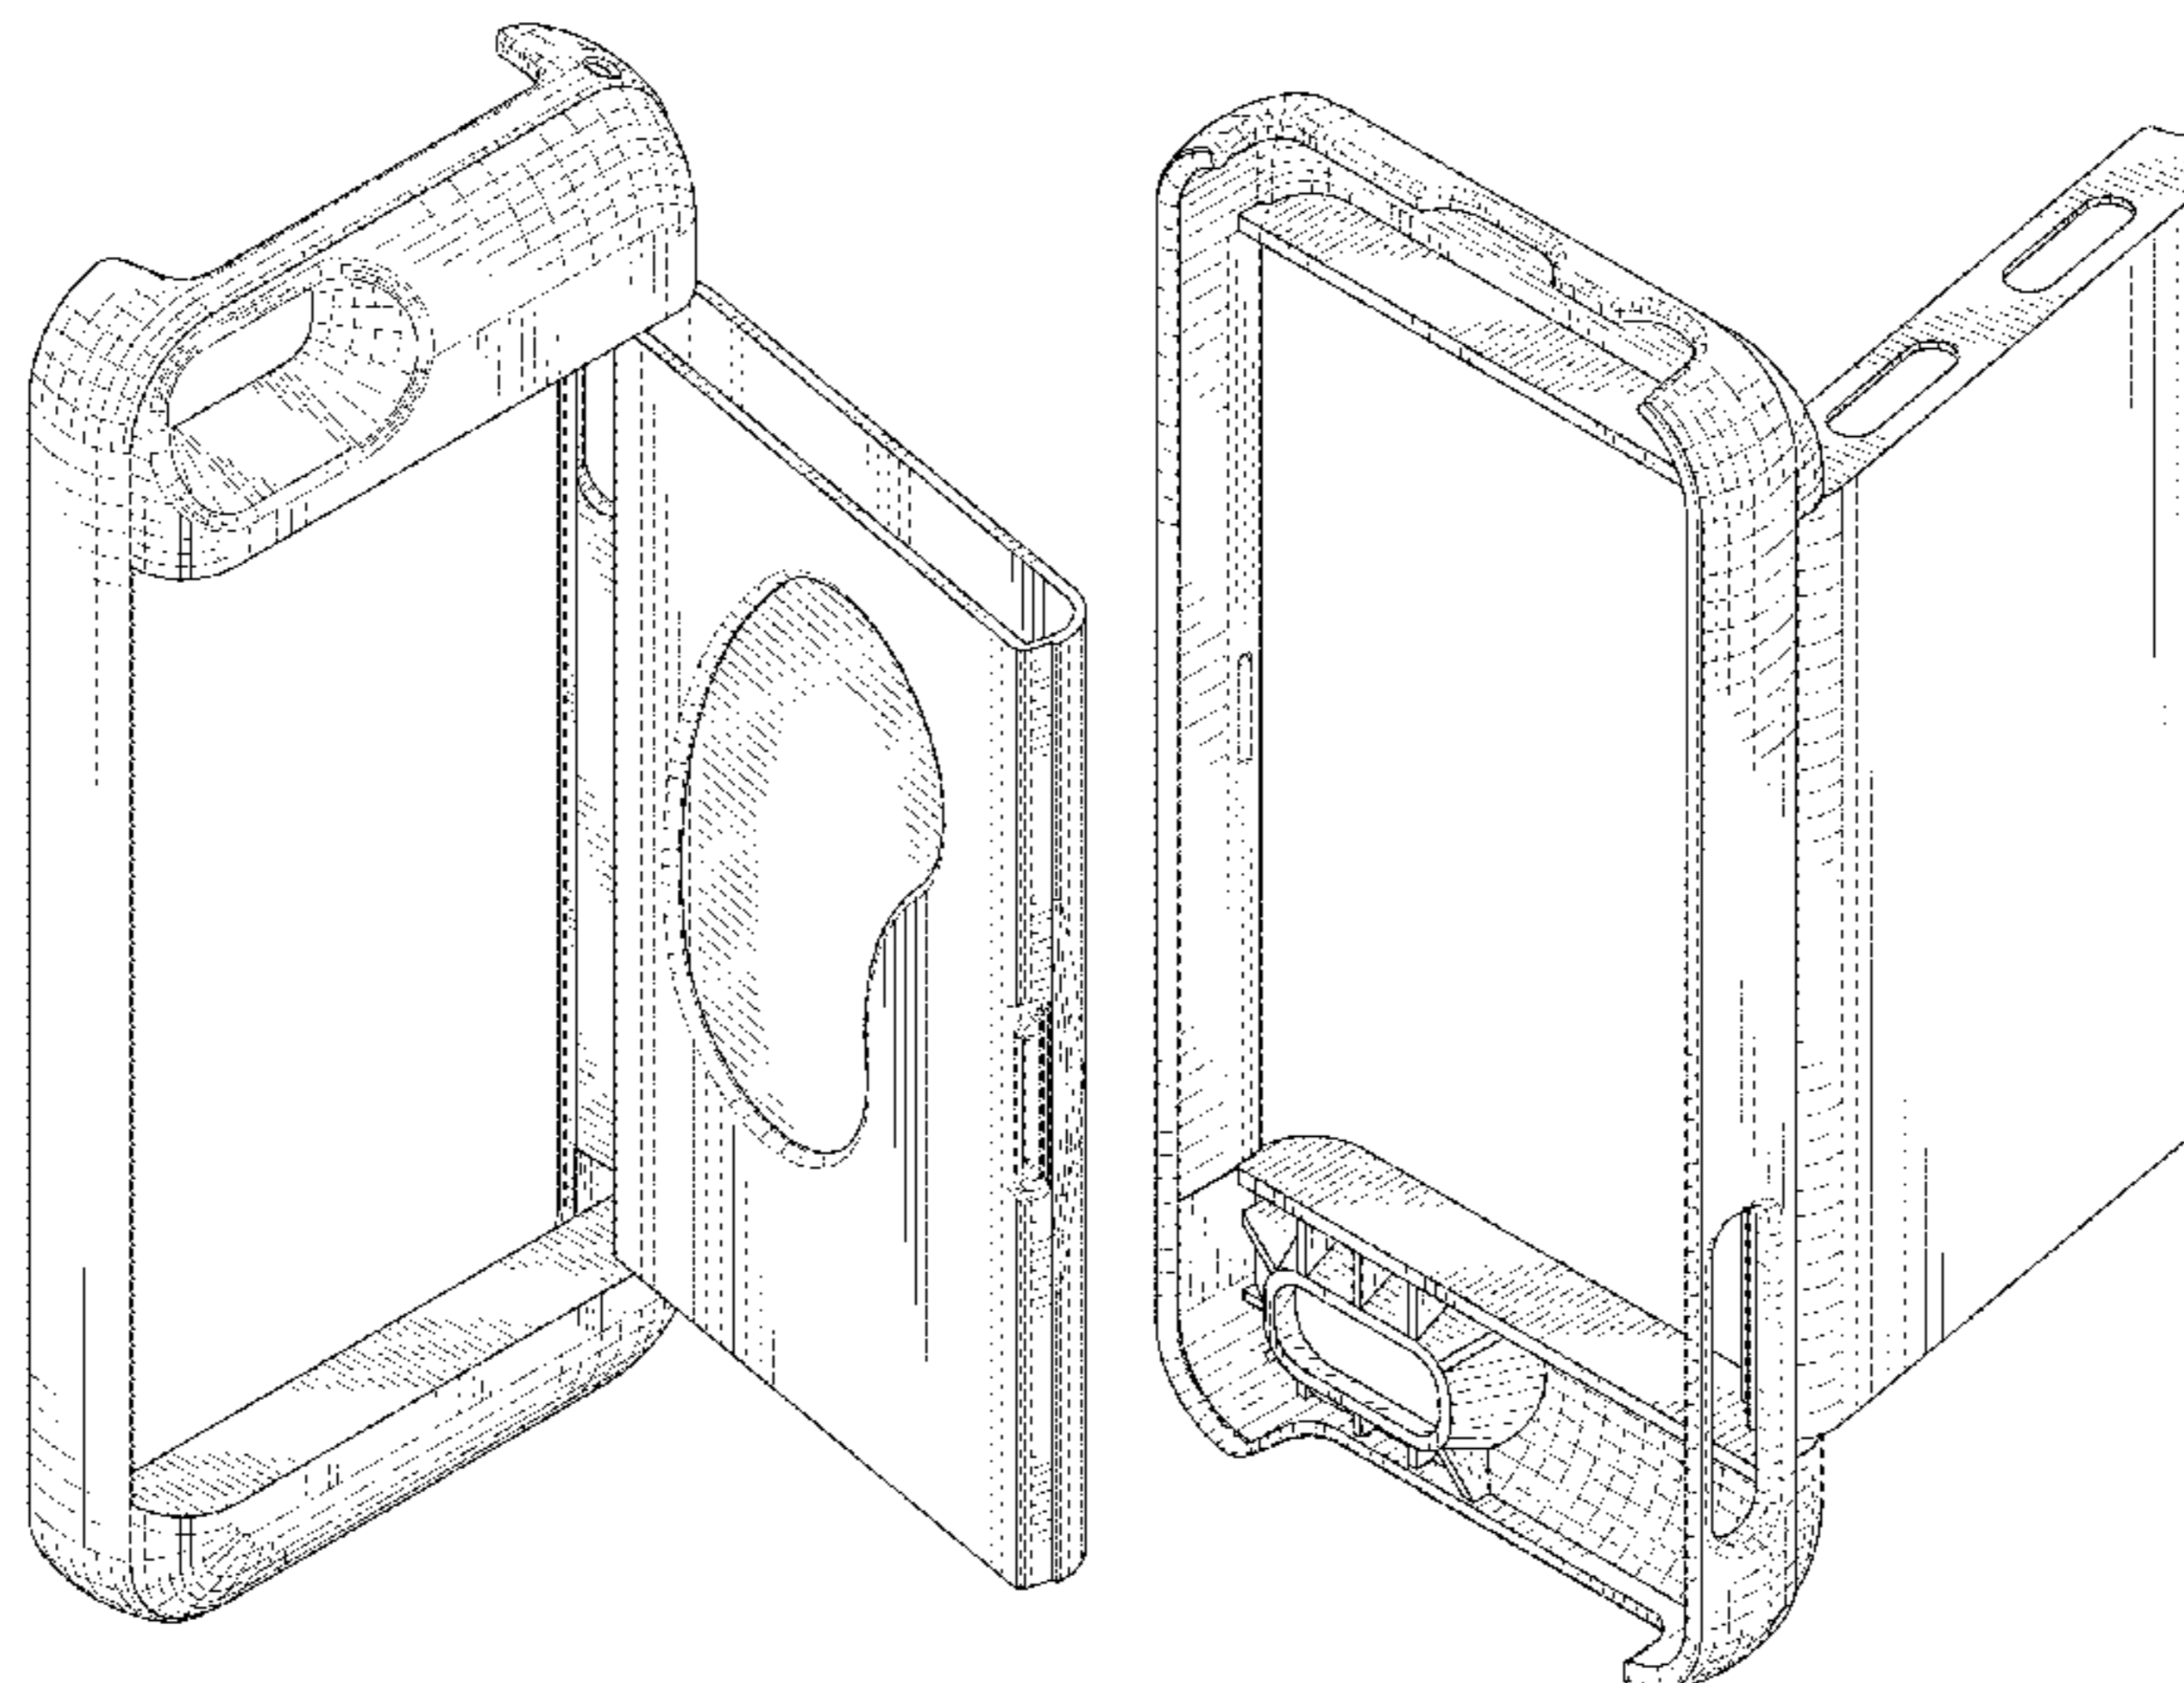

FIG. 7 is a top end view of the mobile device case in an opened position.

FIG. 8 is a bottom end view of the mobile device case in an opened position; and,

FIG. 9 is a back perspective view of the mobile device case in an opened position, shown in a state of use containing a mobile device. The mobile device depicted in broken line is for the purpose of illustrating environment that forms no part of the claim.

The shading lines in the Figures show contour and not surface ornamentation.

1 Claim, 9 Drawing Sheets
