(57) **CLAIM**

The ornamental design for a display screen or a portion thereof with graphical user interface, as shown and described.

DESCRIPTION

The FIGURE is a front view of a display screen or a portion thereof with graphical user interface. The outer broken line represents a display screen or a portion thereof and forms no part of the claimed design. The broken line showing of the remainder of the graphical user interface forms no part of the claimed design.

1 Claim, 1 Drawing Sheet
