(57) **CLAIM**
The ornamental design for a portion of a display screen with graphical user interface, as shown and described.

DESCRIPTION

The FIGURE is a front view of a portion of a display screen with graphical user interface showing my new design. The outermost rectangle broken line showing of the portion of a display screen and all other broken lines showing portions of the graphical user interface are included for the purpose of illustrating portions of the article and form no part of the claimed design.

1 Claim, 1 Drawing Sheet
