(57) **CLAIM**

The ornamental design for a display screen with graphical user interface, as shown and described.

**DESCRIPTION**

The FIGURE is a front view of a display screen with graphical user interface showing our new design. The uneven-length broken line in the figure represents the display screen and the bounds of the claimed design and forms no part thereof. The even-length broken line showing of letters is for environmental purposes only and forms no part of the claimed design.
