(57) **CLAIM**

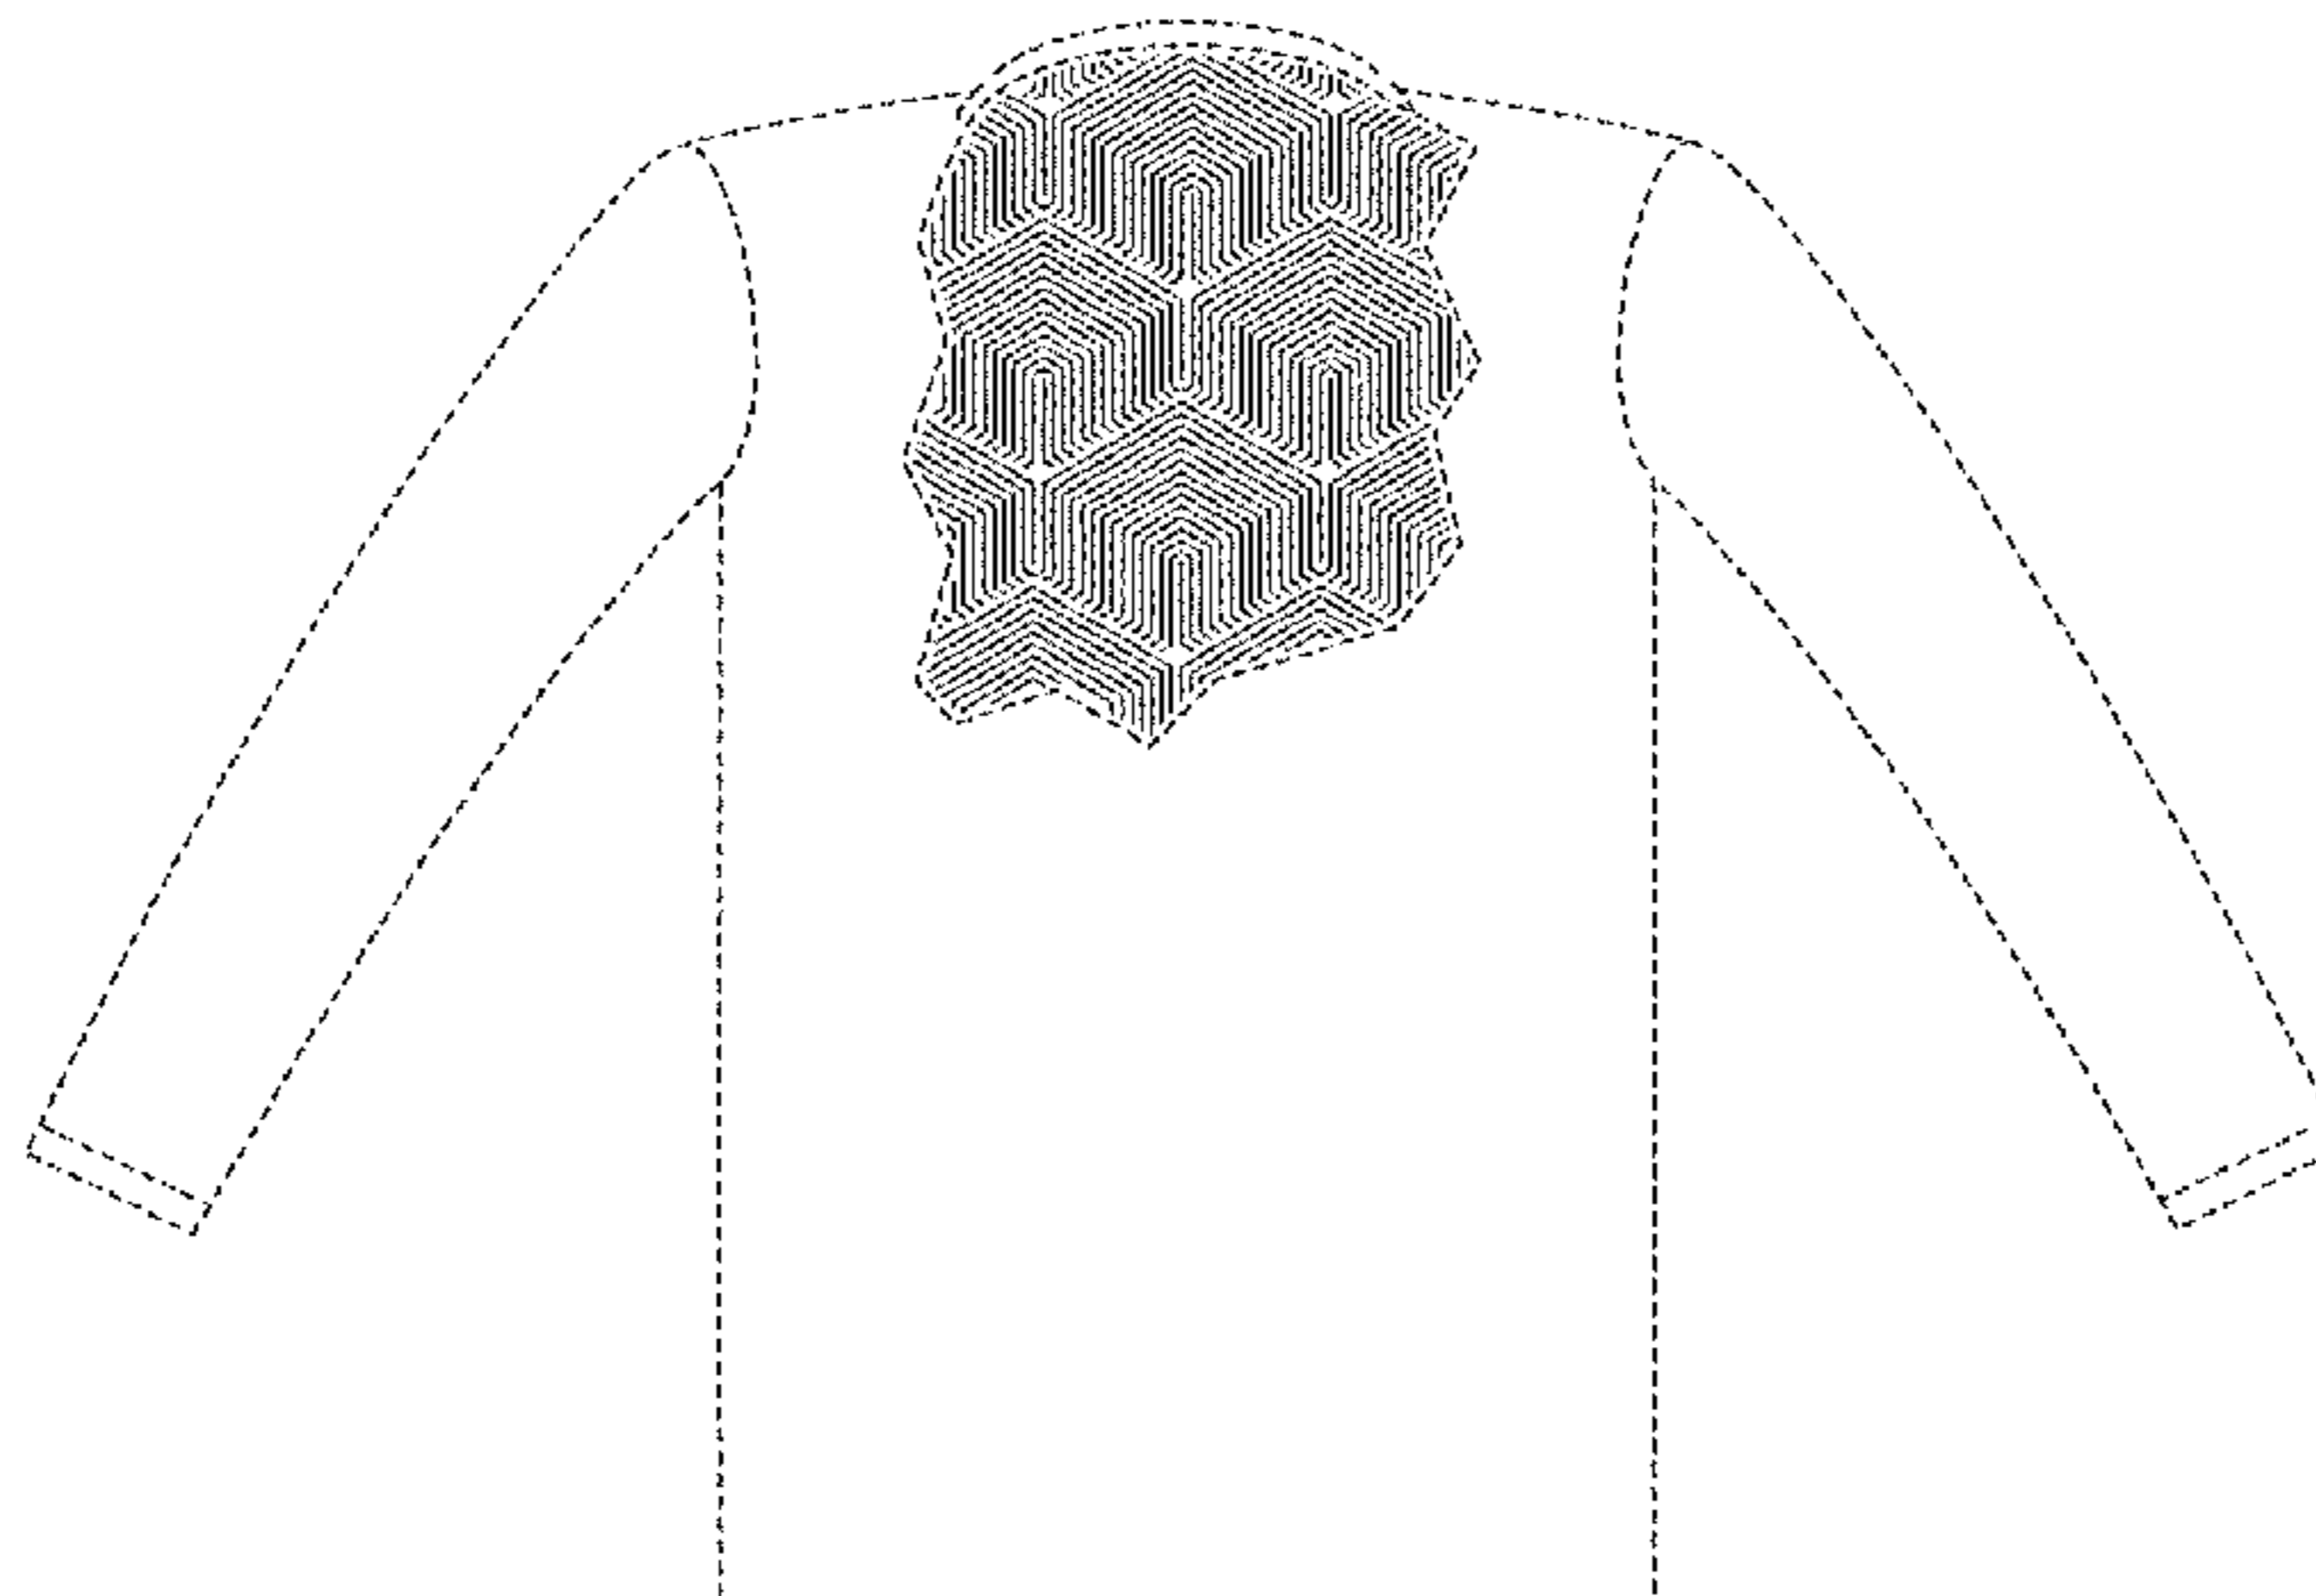

The ornamental design for an upper body garment with areas of interior surface ornamentation, as shown and described.

DESCRIPTION

FIG. 1 is a front view of an upper body garment with areas of interior surface ornamentation showing our new design, the upper body garment including a rip away portion to show the ornamentation on the inner surface of the garment; and, FIG. 2 is a bottom perspective view of the upper body garment with areas of interior surface ornamentation of FIG. 1.

The exterior of the article drawn in broken line and the interior of the article that is not shown are not included in the claim. The broken lines immediately adjacent to the solid line areas in the drawings depict the boundaries of the claim and form no part thereof.
