(57) **CLAIM**

The ornamental design for a display screen of a computing device with a graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a first embodiment of a display screen of a computing device with a graphical user interface; FIG. 2 is a front view of a second embodiment thereof; and, FIG. 3 is a front view of a third embodiment thereof.

The dashed lines represent the display screen and portions of the graphical user interface that form no part of the claimed design.
