(57) **CLAIM**

The ornamental design for a padded protective sleeve for hip restraints on golf and other transportation carts, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a prior art golf cart with the two embodiments of padded protective sleeves for hip restraints on golf and other transportation carts in place showing my new design;

FIG. 2 is a perspective view of the first embodiment of the padded protective sleeve for hip restraints on golf and other transportation carts;

FIG. 3 is a perspective view of the first embodiment of the padded protective sleeve for hip restraints on golf and other transportation carts;

FIG. 4 is a top plan view of the first embodiment of the padded protective sleeve for hip restraints on golf and other transportation carts;

FIG. 5 is a bottom plan view of the first embodiment of the padded protective sleeve for hip restraints on golf and other transportation carts;

FIG. 6 is a left elevation end view of the first embodiment of the padded protective sleeve for hip restraints on golf and other transportation carts;

FIG. 7 is a right elevation end view of the first embodiment of the padded protective sleeve for hip restraints on golf and other transportation carts;

FIG. 8 is a perspective view of the second embodiment of the padded protective sleeve for hip restraints on golf and other transportation carts;

FIG. 9 is a perspective view of the second embodiment of the padded protective sleeve for hip restraints on golf and other transportation carts;

FIG. 10 is a top view of the second embodiment of the padded protective sleeve for hip restraints on golf and other transportation carts;

FIG. 11 is a bottom plan view of the second embodiment of the padded protective sleeve for hip restraints on golf and other transportation carts;

FIG. 12 is a left elevation end view of the second embodiment of the padded protective sleeve for hip restraints on golf and other transportation carts; and,

FIG. 13 is a right elevation end view of the second embodiment of the padded protective sleeve for hip restraints on golf and other transportation carts.

The broken line showing of a golf cart in FIG. 1 is included for the purpose of showing the environment in which the padded protective sleeve for hip restraints on golf and other transportation carts is used, and forms no part of the claimed design.
