(57) **CLAIM**

The ornamental design for a portion of a display screen with graphical user interface, as shown and described.

**DESCRIPTION**

The sole drawing FIGURE is a front view of a portion of a display screen with graphical user interface showing our new design.

The outer border of the screen shown in broken line forms no part of the claimed design. All text and indicia shown in broken line boxes form no part of the claimed design other than as an indication of where text and indicia may be located relative to other elements of the design.
