(57) **CLAIM**

We claim the ornamental design for a display screen with animated graphical user interface, as shown and described.

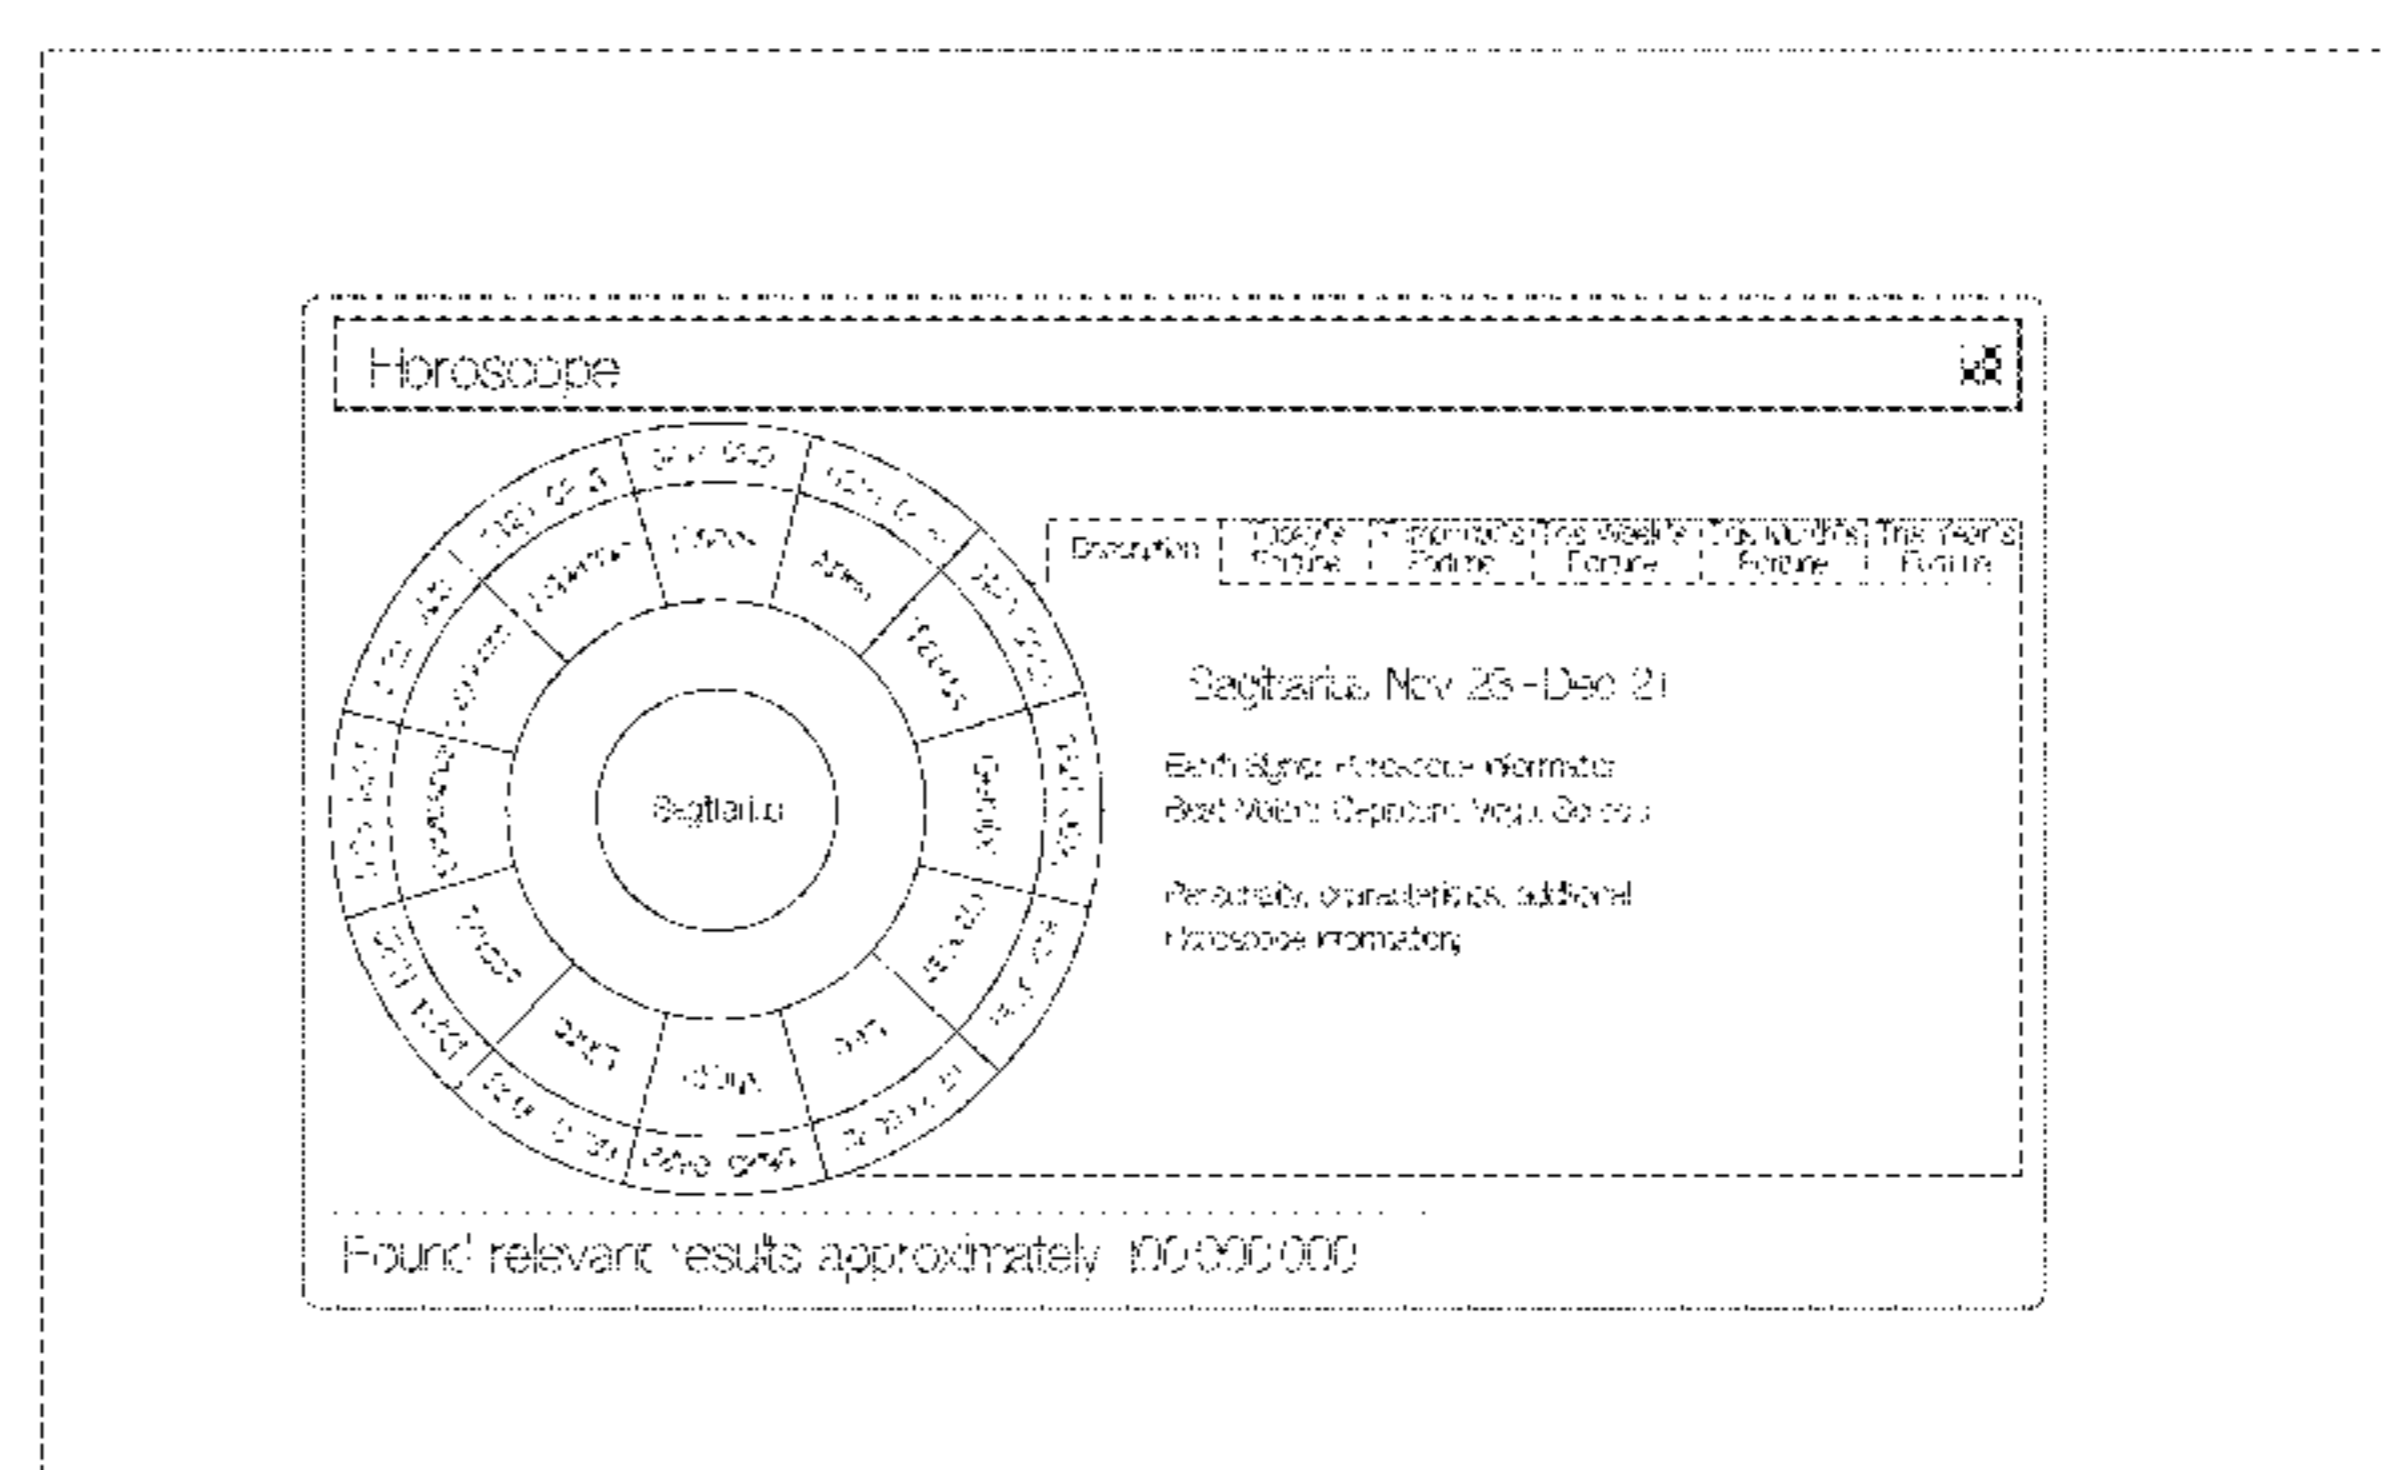

DESCRIPTION

FIG. 1 is a front view of a display screen with animated graphical user interface showing a first image in the sequence showing our new design; FIG. 2 is a second image thereof; FIG. 3 is a third image thereof; and, FIG. 4 is a fourth image thereof.

The broken lines around the Figures show a display screen, and form no part of the claimed design. The broken lines within the Figures show portions of the graphical user interface that form no part of the claimed design.

The appearance of the animated images sequentially transitions between the images shown in FIGS. 1-4. The process or period in which one image transitions to another forms no part of the claimed design.
