(57) **CLAIM**

The ornamental design for a display screen or portion thereof with animated graphical user interface, as shown and described.

**DESCRIPTION**

FIG. 1 is a front view of a display screen or portion thereof with animated graphical user interface showing a first image of our new design; and,

FIG. 2 is a second image thereof.

The broken lines around the figures show a display screen or portion thereof, and form no part of the claimed design. The broken lines in the figures show portions of the animated graphical user interface that form no part of the claimed design.

The appearance of the animated images transitions between the images shown in FIGS. 1 and 2. The process or period in which one image transitions to another forms no part of the claimed design.

The text and numbers in FIG. 1 are representative of data values.
