(57) **CLAIM**

The ornamental design for a display with graphical user interface, as shown and described.

DESCRIPTION

The sole FIGURE is a front elevational view of a display with graphical user interface in accordance with our new design.

The broken lines in the FIGURE are directed to environment, are for illustrative purposes only and form no part of the claimed design.

The left and right side elevational, top and bottom plan and rear elevational views of the display with graphical user interface are not shown in the drawings or described in the specification and, therefore, form no part of the claimed design.
