CLAIM

The ornamental design for a display screen with graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a display screen with graphical user interface showing our new design; and,
FIG. 2 is a front view of a display screen with graphical user interface showing an alternative embodiment of our new design.

The broken line showing of the display screen, text, and graphic features forms no part of the claimed design.

1 Claim, 2 Drawing Sheets

FIG. 1

FIG. 2
