(57) **CLAIM**

The ornamental design for a display screen with graphical user interface, as shown and described.

DESCRIPTION

The FIGURE is a front view of a display screen with graphical user interface showing my/our new design. The outermost broken line showing of the display screen with graphical user interface is included for the purpose of illustrating the article and forms no part of the claimed design. The broken lines within the display screen show portions of the graphical user interface and form no part of the claimed design.
