(57) **CLAIM**

The ornamental design for an articulating extension piece, as shown and described.

DESCRIPTION

FIG. 1 is a raised perspective view of an articulating extension piece showing our new design.
FIG. 2 is a right side view of an articulating extension piece. The left side view is mirror image of the right side view.
FIG. 3 is a rear view of an articulating extension piece.
FIG. 4 is a front view of an articulating extension piece.
FIG. 5 is a top view of an articulating extension piece.
FIG. 6 is a bottom view of an articulating extension piece; and,
FIG. 7 is a perspective view of an articulating extension piece.
The broken lines shown represent environmental subject matter and form no part of the claimed design.
