(57) **CLAIM**

The ornamental design for a window frame extrusion, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of a window frame extrusion showing our new design; and,

FIG. 2 is an end elevational view thereof.

The broken lines shown in FIGS. 1 and 2 illustrate portions of the window frame extrusion that form no part of the claimed design.

The window frame extrusion is shown with a symbolic break in its length. The appearance of any portion of the window frame extrusion between the break lines forms no part of the claimed design.
