(57) **CLAIM**

The ornamental design for a utility knife, as shown.

DESCRIPTION

FIG. 1 is an isometric view of the utility knife according to the present invention.

FIG. 2 is a rear view of the utility knife according to the present invention.

FIG. 3 is a front view of the utility knife according to the present invention.

FIG. 4 is a side view of the utility knife according to the present invention.

FIG. 5 is a side view of the utility knife according to the present invention.

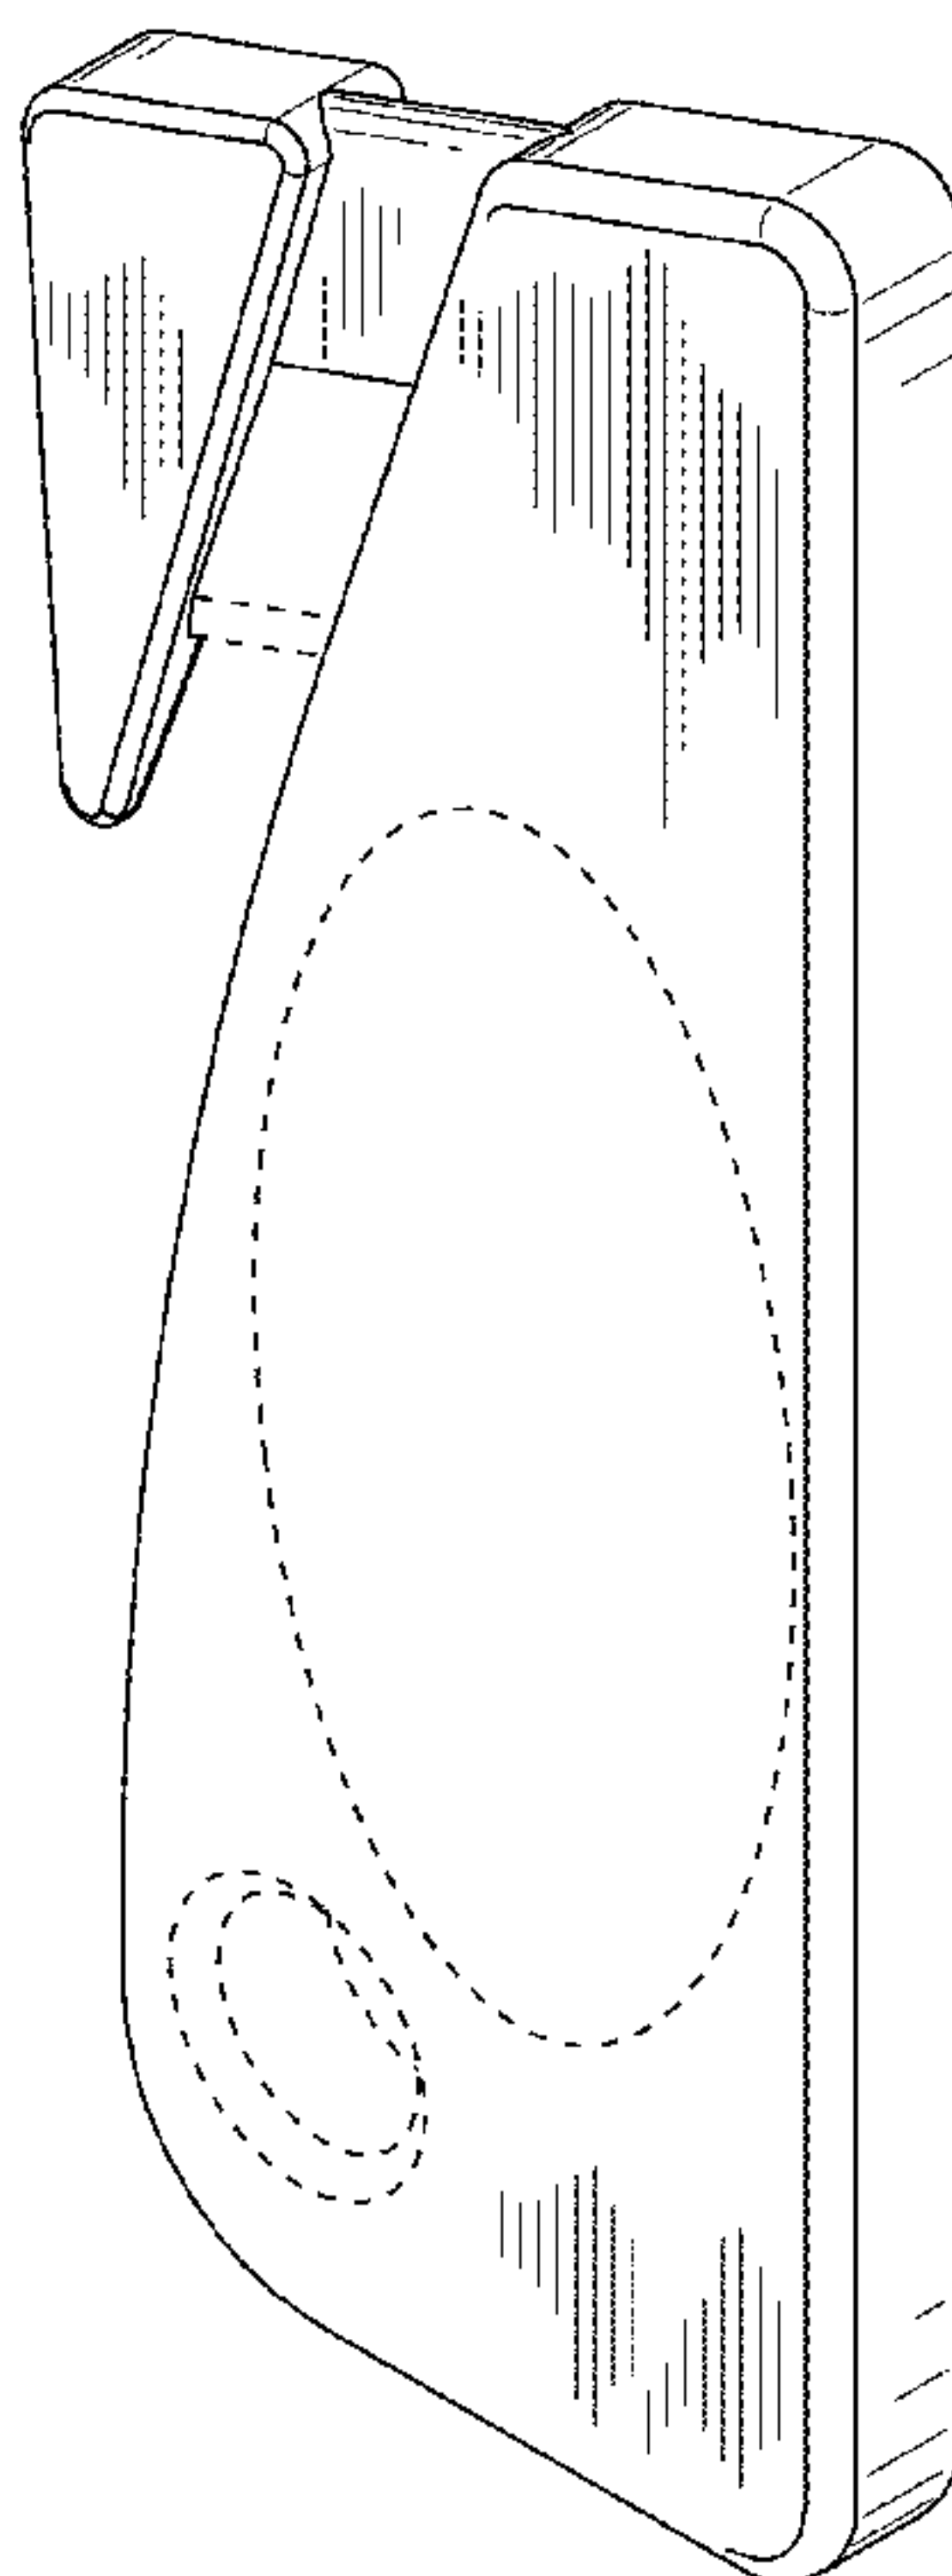

FIG. 6 is a top view of the utility knife according to the present invention; and,

FIG. 7 is a bottom view of the utility knife according to the present invention.

The broken lines depict portions of the utility knife in which the design is embodied that are not considered part of the claimed design.

The utility knife is intended to be used for cutting applications.
