(57) **CLAIM**

We claim, the ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

The FIGURE is a front view of a display screen or portion thereof with graphical user interface showing our new design.

The broken lines within the FIGURES show portions of the transitional graphical user interface, and the broken lines around the FIGURES showing of the display screen are included for the purpose of illustrating environment structure; the broken lines form no part of the claimed design.
