(57) **CLAIM**

The ornamental design for a bag attached to a blanket, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of the bag attached to a blanket at the lower end as shown and described.

FIG. 2 is a back front perspective view of the bag attached to a blanket of the present invention thereof.

FIG. 3 is a right side elevation view of the present invention thereof.

FIG. 4 is a left side elevation view of the present invention thereof.

FIG. 5 is a top plan view of the present invention thereof.

FIG. 6 is a bottom plan view of the present invention thereof.

FIG. 7 is a perspective view of the bag with an attached handle thereof.

FIG. 8 is a top side perspective view of the right side of the blanket folded thereof.

FIG. 9 is a front perspective view of the bag attached to a blanket as shown and described of an alternative embodiment.

FIG. 10 is a back front perspective view of the bag attached to a blanket of the present invention thereof of an alternative embodiment.

FIG. 11 is a right side elevation view of the present invention thereof of an alternative embodiment.

FIG. 12 is a left side elevation view of the present invention thereof of an alternative embodiment.

FIG. 13 is a ylan view of the present invention thereof of an alternative embodiment.

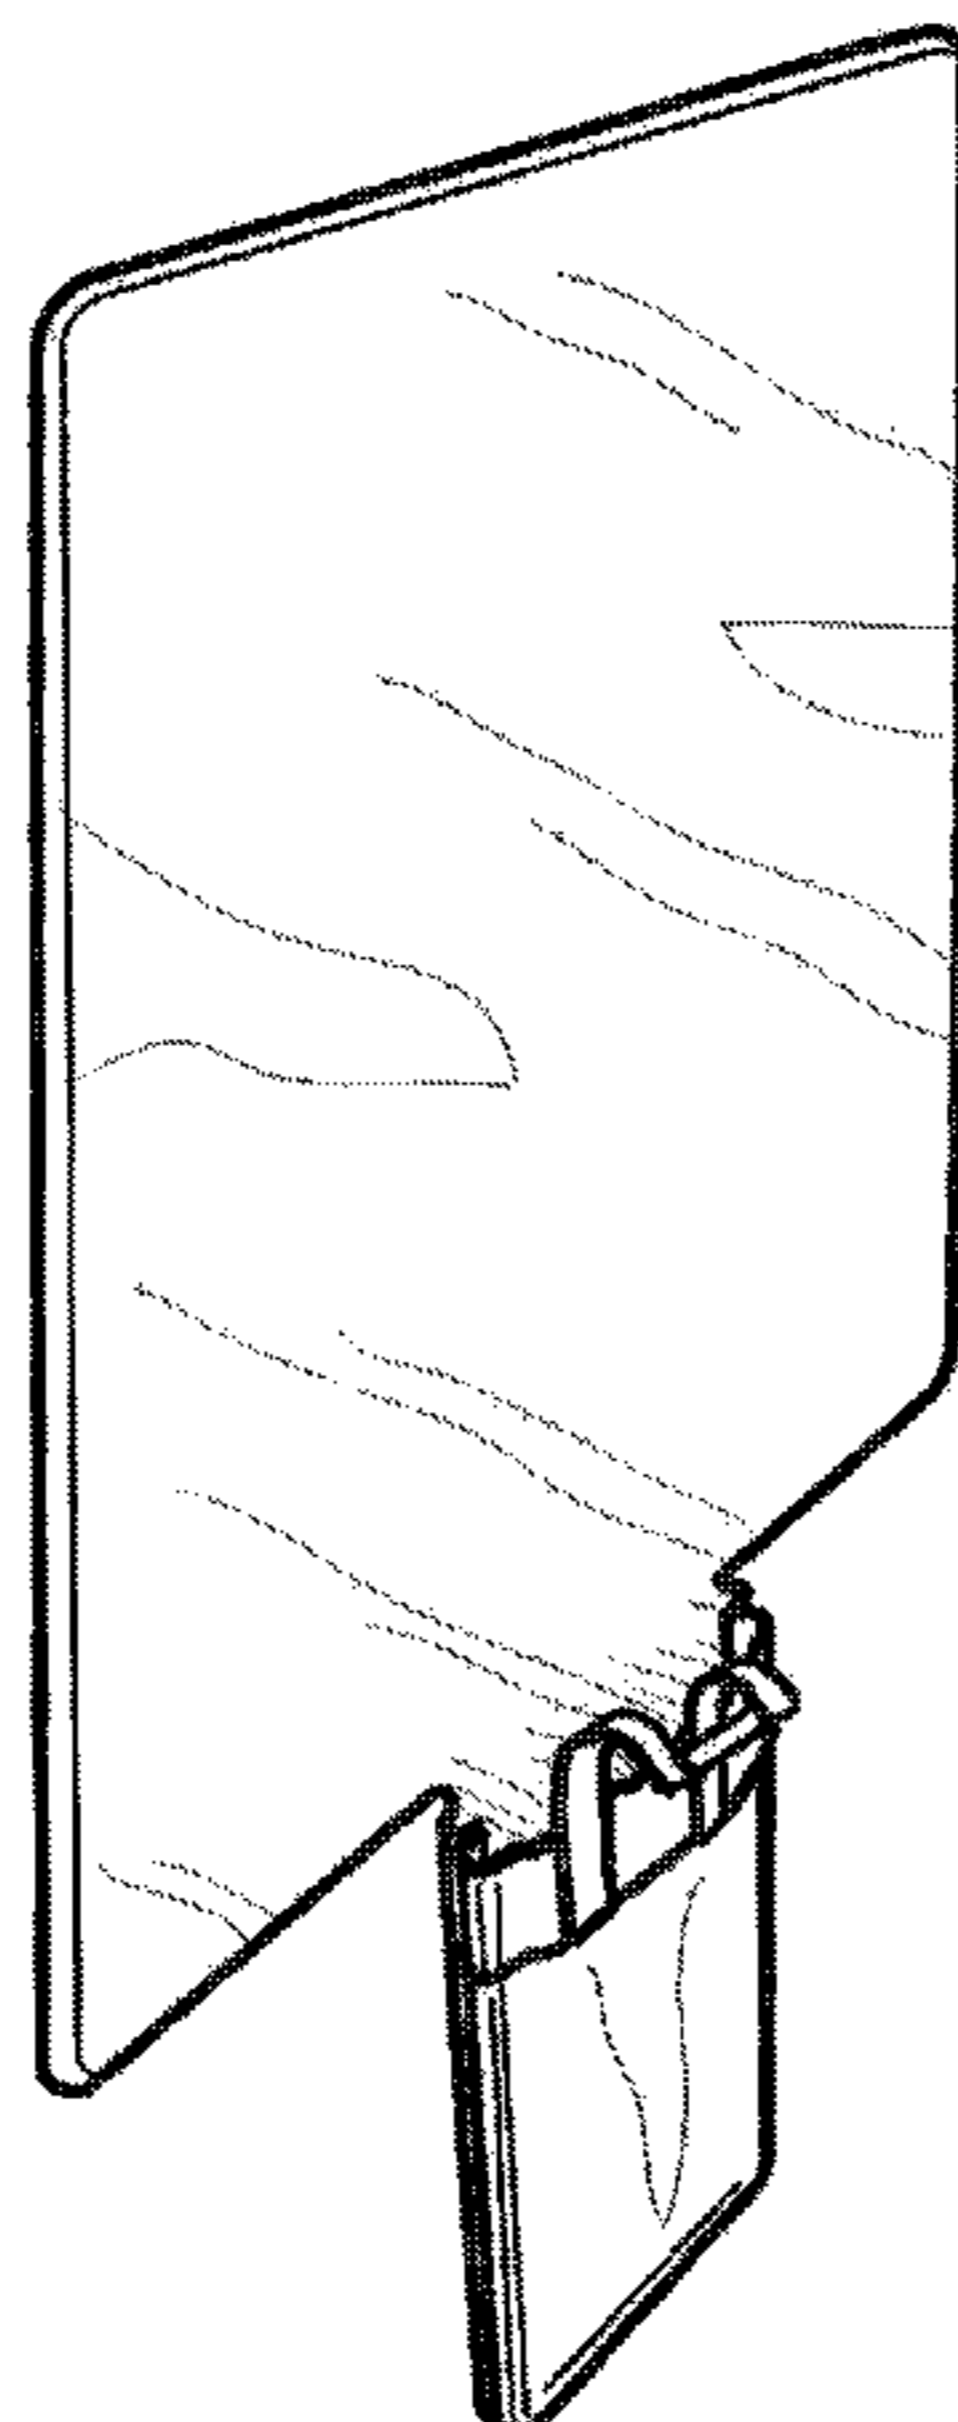

FIG. 14 is a bottom plan view of the present invention thereof of an alternative embodiment.

FIG. 15 is a top plan view of the present invention thereof of an alternative embodiment with a pocket attached within the bag; and,

FIG. 16 is a bottom plan view of the present invention thereof of an alternative embodiment with a pocket attached within the bag.

The broken lines showing a human form are for the purposes of illustrating environment and form no part of the claimed design.
