**CLAIM**

(57) The ornamental design for a hurricane tie fastener, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of the hurricane tie fastener of the present invention as viewed from the front left and above.  
FIG. 2 is a perspective view of the hurricane tie fastener as viewed from the front right and above.  
FIG. 3 is a front elevation view of the hurricane tie fastener.  
FIG. 4 is a rear elevation view of the hurricane tie fastener.  
FIG. 5 is a left side elevation view of the hurricane tie fastener.  
FIG. 6 is a right side elevation view of the hurricane tie fastener.  
FIG. 7 is a top plan view of the hurricane tie fastener; and, FIG. 8 is a bottom plan view of the hurricane tie fastener.  
The broken lines in the drawings illustrate portions of the hurricane tie fastener and form no part of the claimed design.

**1 Claim, 7 Drawing Sheets**
