(57) **CLAIM**

The ornamental design for a tread of an automobile tire, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a tread of an automobile tire showing my design;
FIG. 2 is a front view thereof;
FIG. 3 is a top view thereof;
FIG. 4 is a right side view thereof;
FIG. 5 is a fragmentary enlarged front view showing the details of the tread portion thereof; and,
FIG. 6 is a section view taken along line 6-6 in FIG. 5.
In the drawings, the intermediate and dark stippled shading correspond to the groove depths shown in FIG. 6.
The broken lines in the drawings show portions of the tire that are not being claimed, and thus form no part of the claimed design.
