(57) **CLAIM**

The ornamental design for a display screen with graphical user interface, as shown and described.

DESCRIPTION

The FIGURE is a front view of a display screen with graphical user interface showing our new design. The broken line showing the electronic device is provided for the purpose of illustrating environmental structure; whereas the broken lines showing text and elements of the graphical user interface are provided for the purpose of illustrating portions of the article. No subject matter shown in broken lines form part of the claimed design.

1 Claim, 1 Drawing Sheet
