(57) **CLAIM**

We claim the ornamental design for a credit card, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

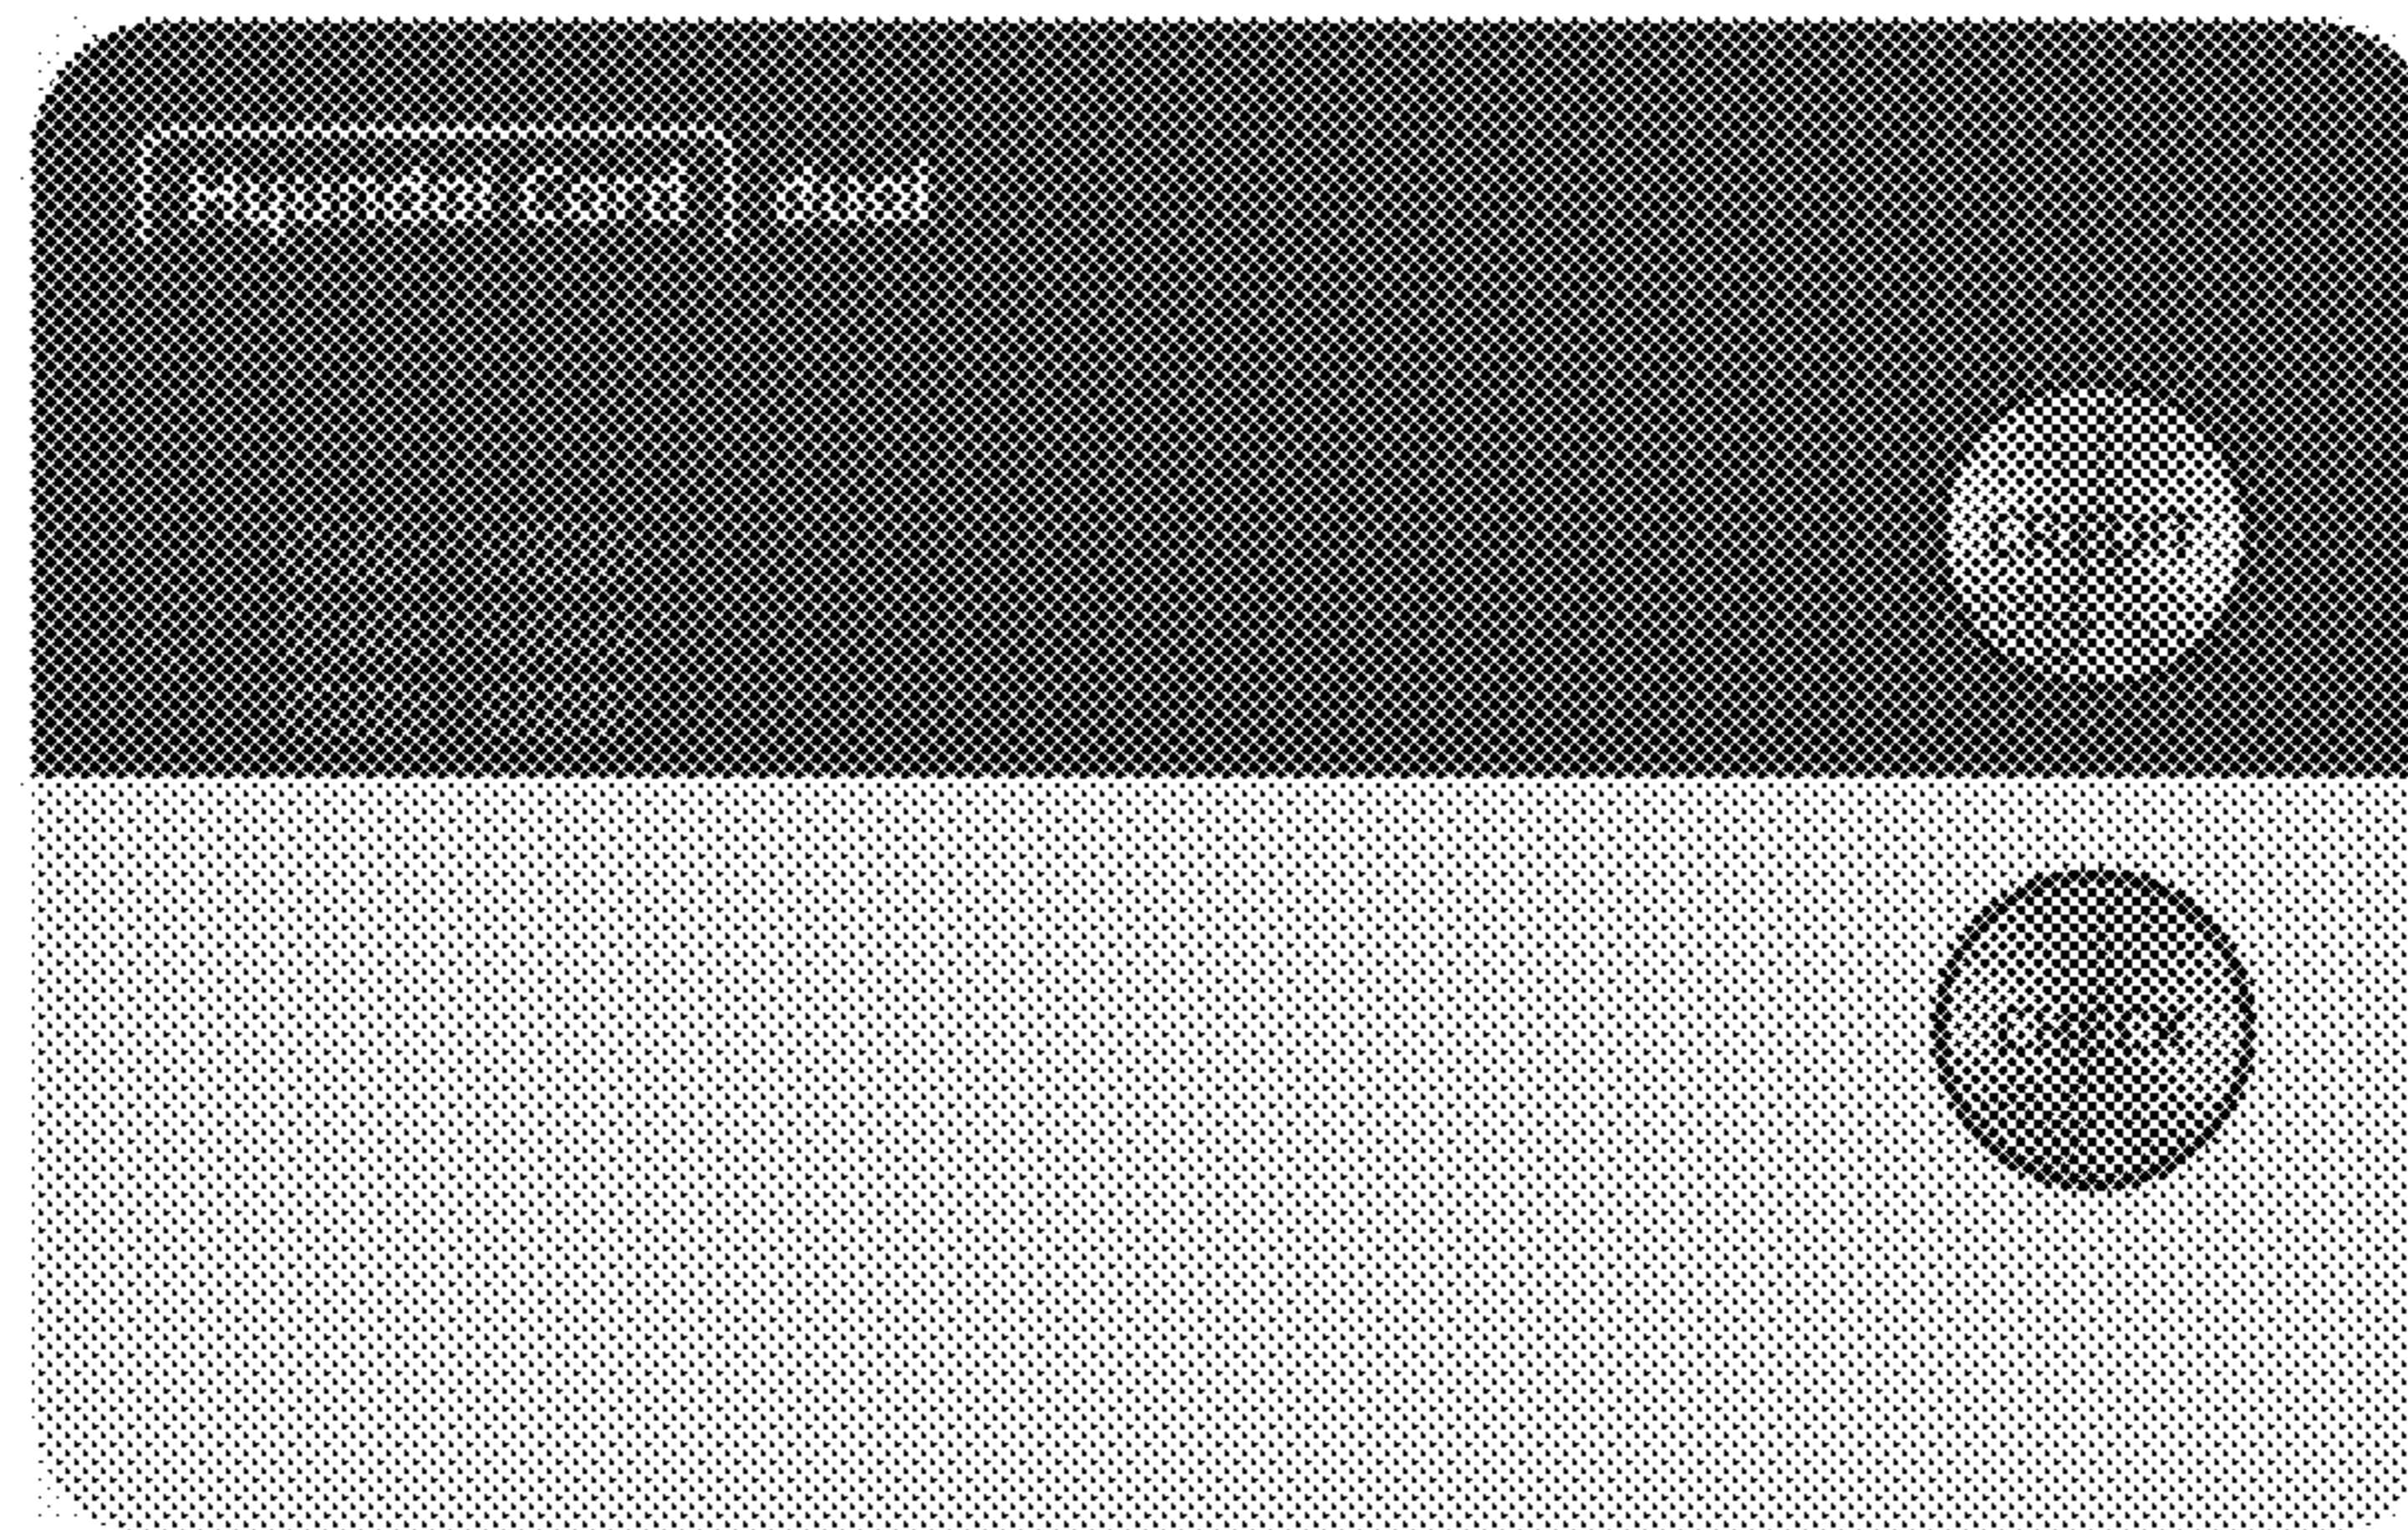

FIG. 1 is a front view of a credit card of the present invention; and,

FIG. 2 is rear view thereof.

No side views of the credit card of the present invention have been included because the side views do not make up a part of the claimed design.

The ornamental design which is claimed is shown in solid lines in the drawings.
