(57) **CLAIM**

The ornamental design for a rope strap with expanding end loops, as shown and described.

DESCRIPTION

FIG. 1 is a top-down view of the rope strap with expanding end loops;
FIG. 2 is a top-down view of the first expanding end loop portion of the rope strap with expanding end loops in a retracted configuration;
FIG. 3 is a top-down view of the first expanding end loop portion of the rope strap with expanding end loops in an expanded configuration;
FIG. 4 is a top-down view of the second expanding end loop portion of the rope strap with expanding end loops in a retracted configuration;
FIG. 5 is a top-down view of the second expanding end loop portion of the rope strap with expanding end loops in an expanded configuration;
FIG. 6 is a top-down enlarged partial view of the expanded shoulder strap portion of the rope strap with expanding end loops in a retracted configuration;
FIG. 7 is a top-down enlarged partial view of the expanded shoulder strap portion of the rope strap with expanding end loops in an expanded configuration; and,
FIG. 8 is a top-down view of the expanded shoulder strap portion of the rope strap with expanding end loops.
