(57) **CLAIM**

We claim the ornamental design for a charger for mobile devices for use in automobile, as shown and described.

**DESCRIPTION**

FIG. 1 is a front perspective view of a charger for mobile devices for use in automobile showing our new design; FIG. 2 is a front view thereof; FIG. 3 is a rear view thereof; FIG. 4 is a left-side view thereof; FIG. 5 is a right-side view thereof; FIG. 6 is a top view thereof; and, FIG. 7 is a bottom view thereof.

The broken lines in the figures show portions of the charger for mobile devices for use in automobile which form no part of the claimed design.

The dot-dash broken lines in the figures represent an unclaimed boundary line and form no part of the claimed design.
