(57) **CLAIM**

The ornamental design for a display screen with a graphical user interface, substantially as shown and described.

DESCRIPTION

The FIGURE is a front view of a display screen with a graphical user interface showing our new design. The broken line showing of the display screen and all other broken lines showing portions of the graphical user interface are included for the purpose of illustrating portions of the article and form no part of the claimed design.

1 Claim, 1 Drawing Sheet
