(57) **CLAIM**

The ornamental design for an display screen or portion thereof with animated icon, as shown and described.

DESCRIPTION

FIG. 1 is a view of a first state of an display screen or portion thereof with animated icon according to the new design.

FIG. 2 is a view of second state of an display screen or portion thereof with animated icon according to the new design.

FIG. 3 is a view of a third state of an display screen or portion thereof with animated icon according to the new design.

FIG. 4 is a view of a fourth state of an display screen or portion thereof with animated icon according to the new design.

FIG. 5 is a view of a fifth state of an display screen or portion thereof with animated icon according to the new design; and, FIG. 6 is a view of a sixth state of an display screen or portion thereof with animated icon according to the new design.

The animated icon transitions sequentially between the states shown in FIGS. 1-6. The process or period in which the animated icon transitions from one state to another state forms no part of the claimed design.

The broken line showing of a portion of the display screen is for the purpose of illustrating environmental structure and forms no part of the claimed design.
