FIG. 1 is a front view of a display screen with graphical user interface showing our new design;

FIG. 2 is a front view of a second embodiment thereof; and, FIG. 3 is a front view thereof showing the second embodiment with additional broken line subject matter.

The outer broken lines show a display screen or portion thereof and form no part of the claimed design. The remaining broken lines show portions of the graphical user interface and form no part of the claimed design.
