(57) **CLAIM**

The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

The FIGURE is a front view of a display screen or portion thereof with graphical user interface showing my new design.

The dashed broken lines in the FIGURE show a display screen or portion thereof, and form no part of the claimed design. The dot-dash broken lines in the FIGURE and the area between the dashed broken lines and the dot-dash broken lines show portions of the graphical user interface that form no part of the claimed design.
