(57) **CLAIM**

I claim the ornamental design for purse interior compartments, as shown.

**DESCRIPTION**

FIG. 1 is a sectional rearward view of a divider and the front inside wall of a purse;

FIG. 2 is a sectional rearward view of a portion of the divider (a portion cut away) to show the front inside wall of the purse behind the divider;

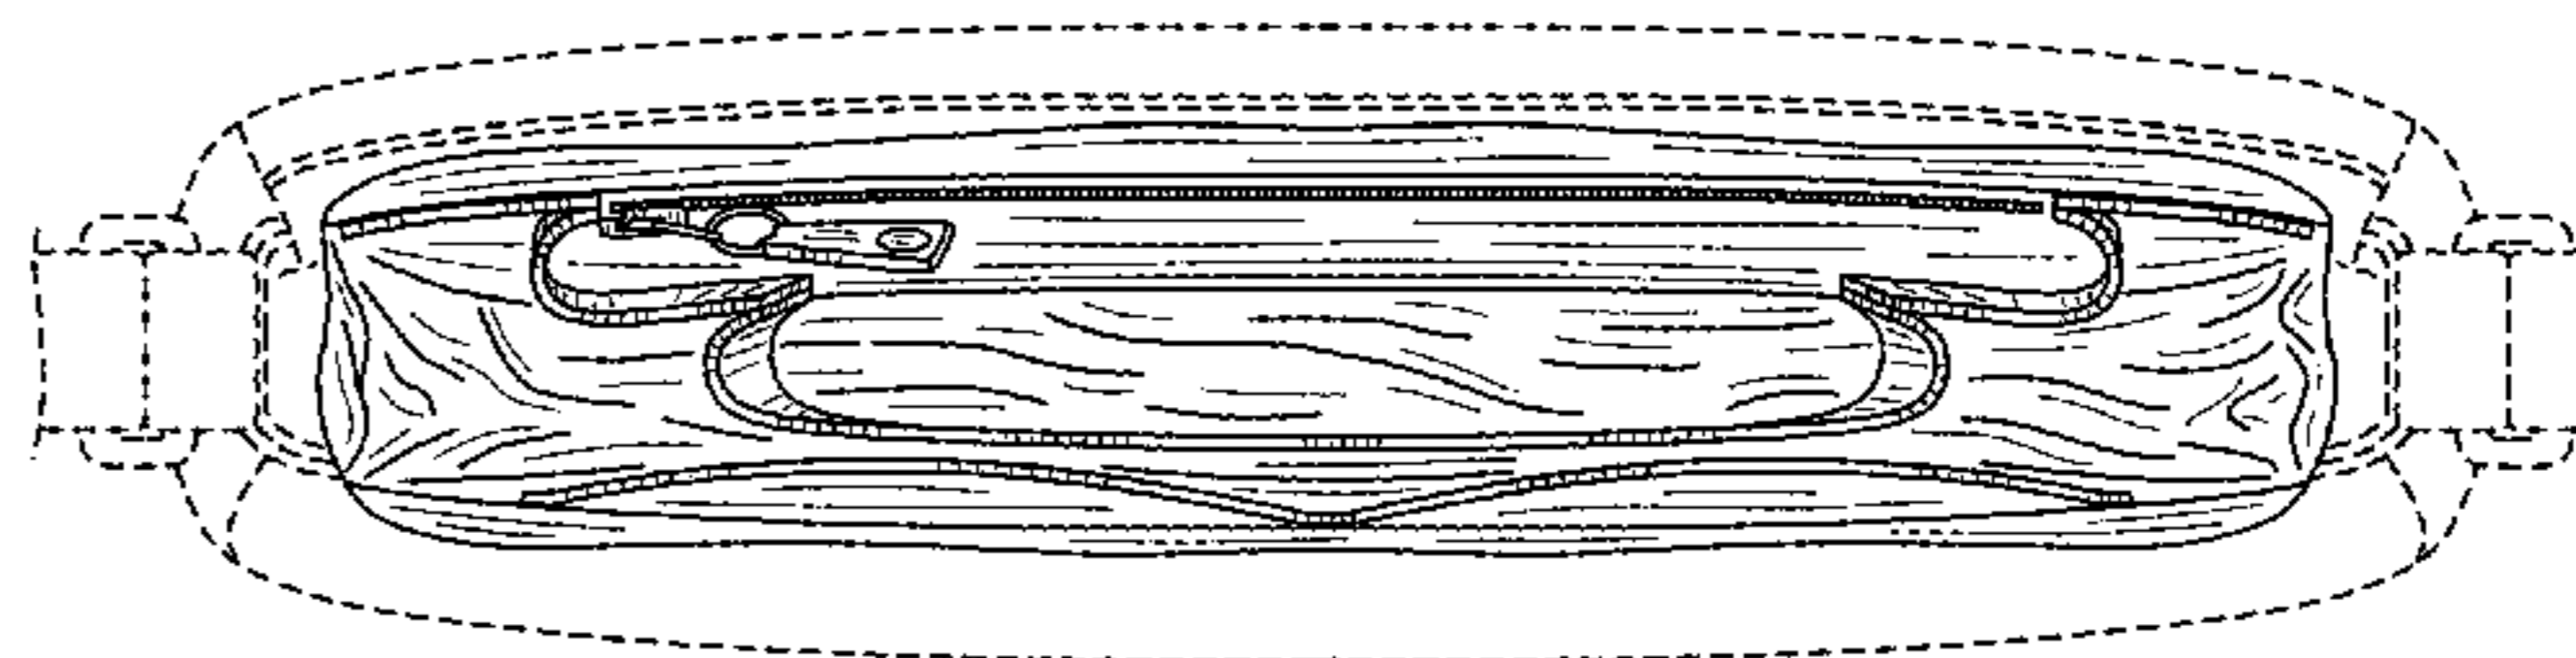

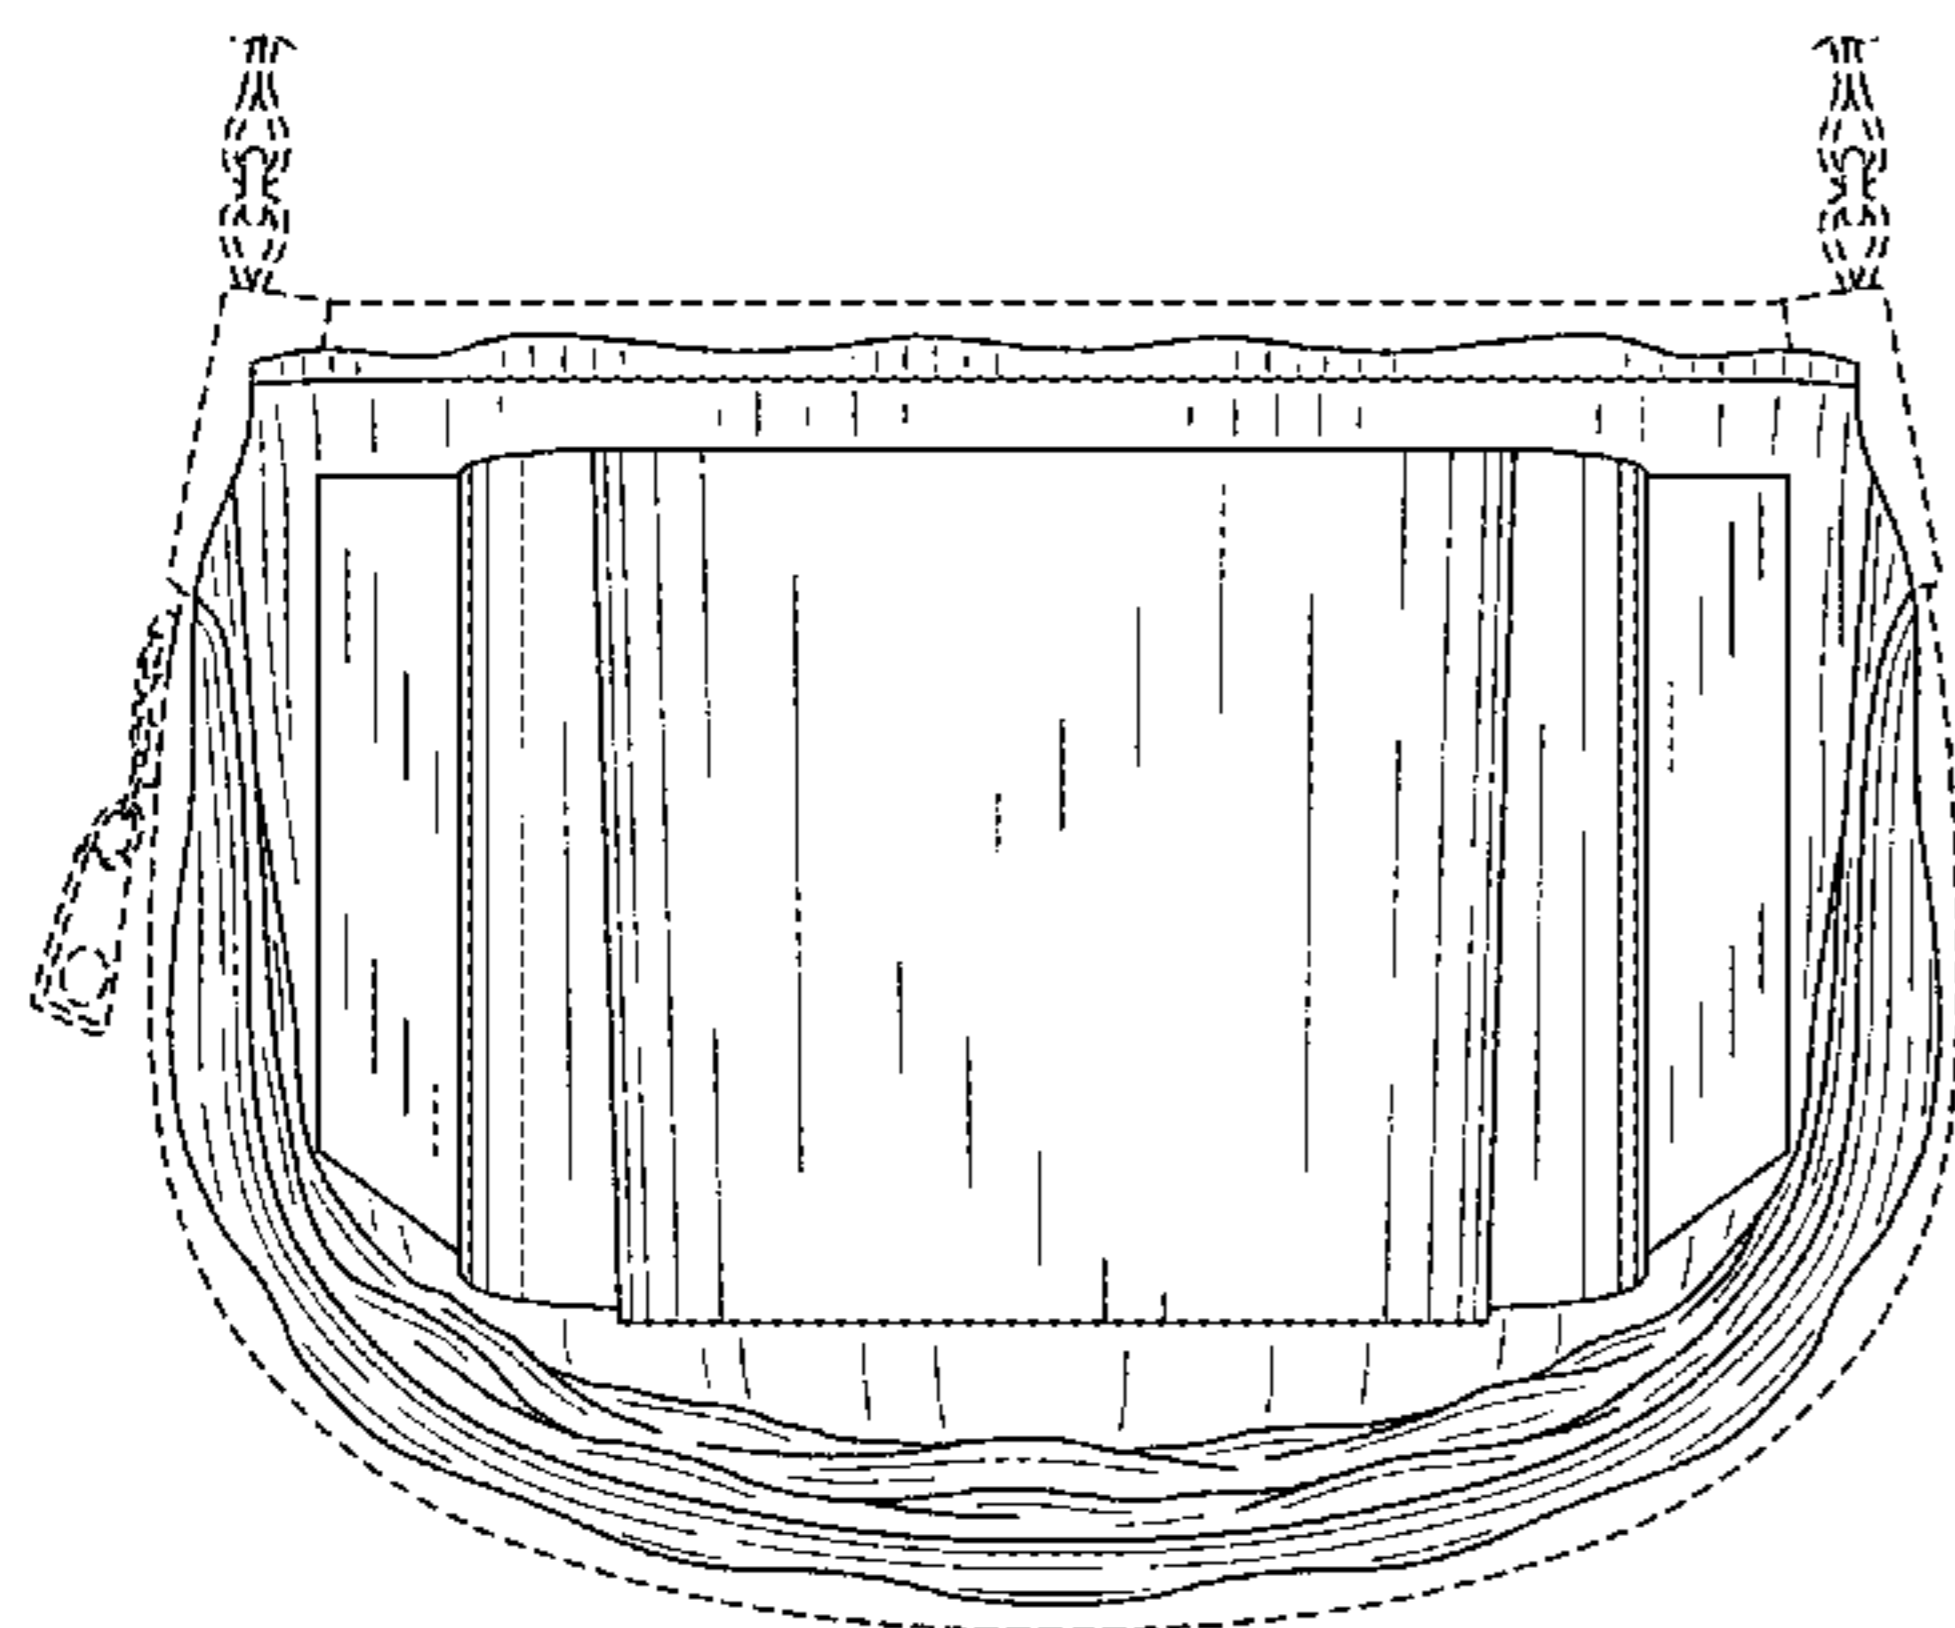

FIG. 3 is a sectional frontward view of the rear inside wall of the purse; and,

FIG. 4 is a top view of the inside of the purse including the front inside wall, the rear inside wall, and the divider.

The broken lines showing a purse are for the purposes of illustrating environment and forms no part of the claimed design.
