DESCRIPTION

FIG. 1 is a front view of a first image of a portion of a display screen with animated graphical user interface showing my new design; and,

FIG. 2 is a front view of a second image thereof. The appearance of the transitional image sequentially transitions between the images shown in FIGS. 1 and 2. The process or period in which one image transitions to another image forms no part of the claimed design.

See application file for complete search history.

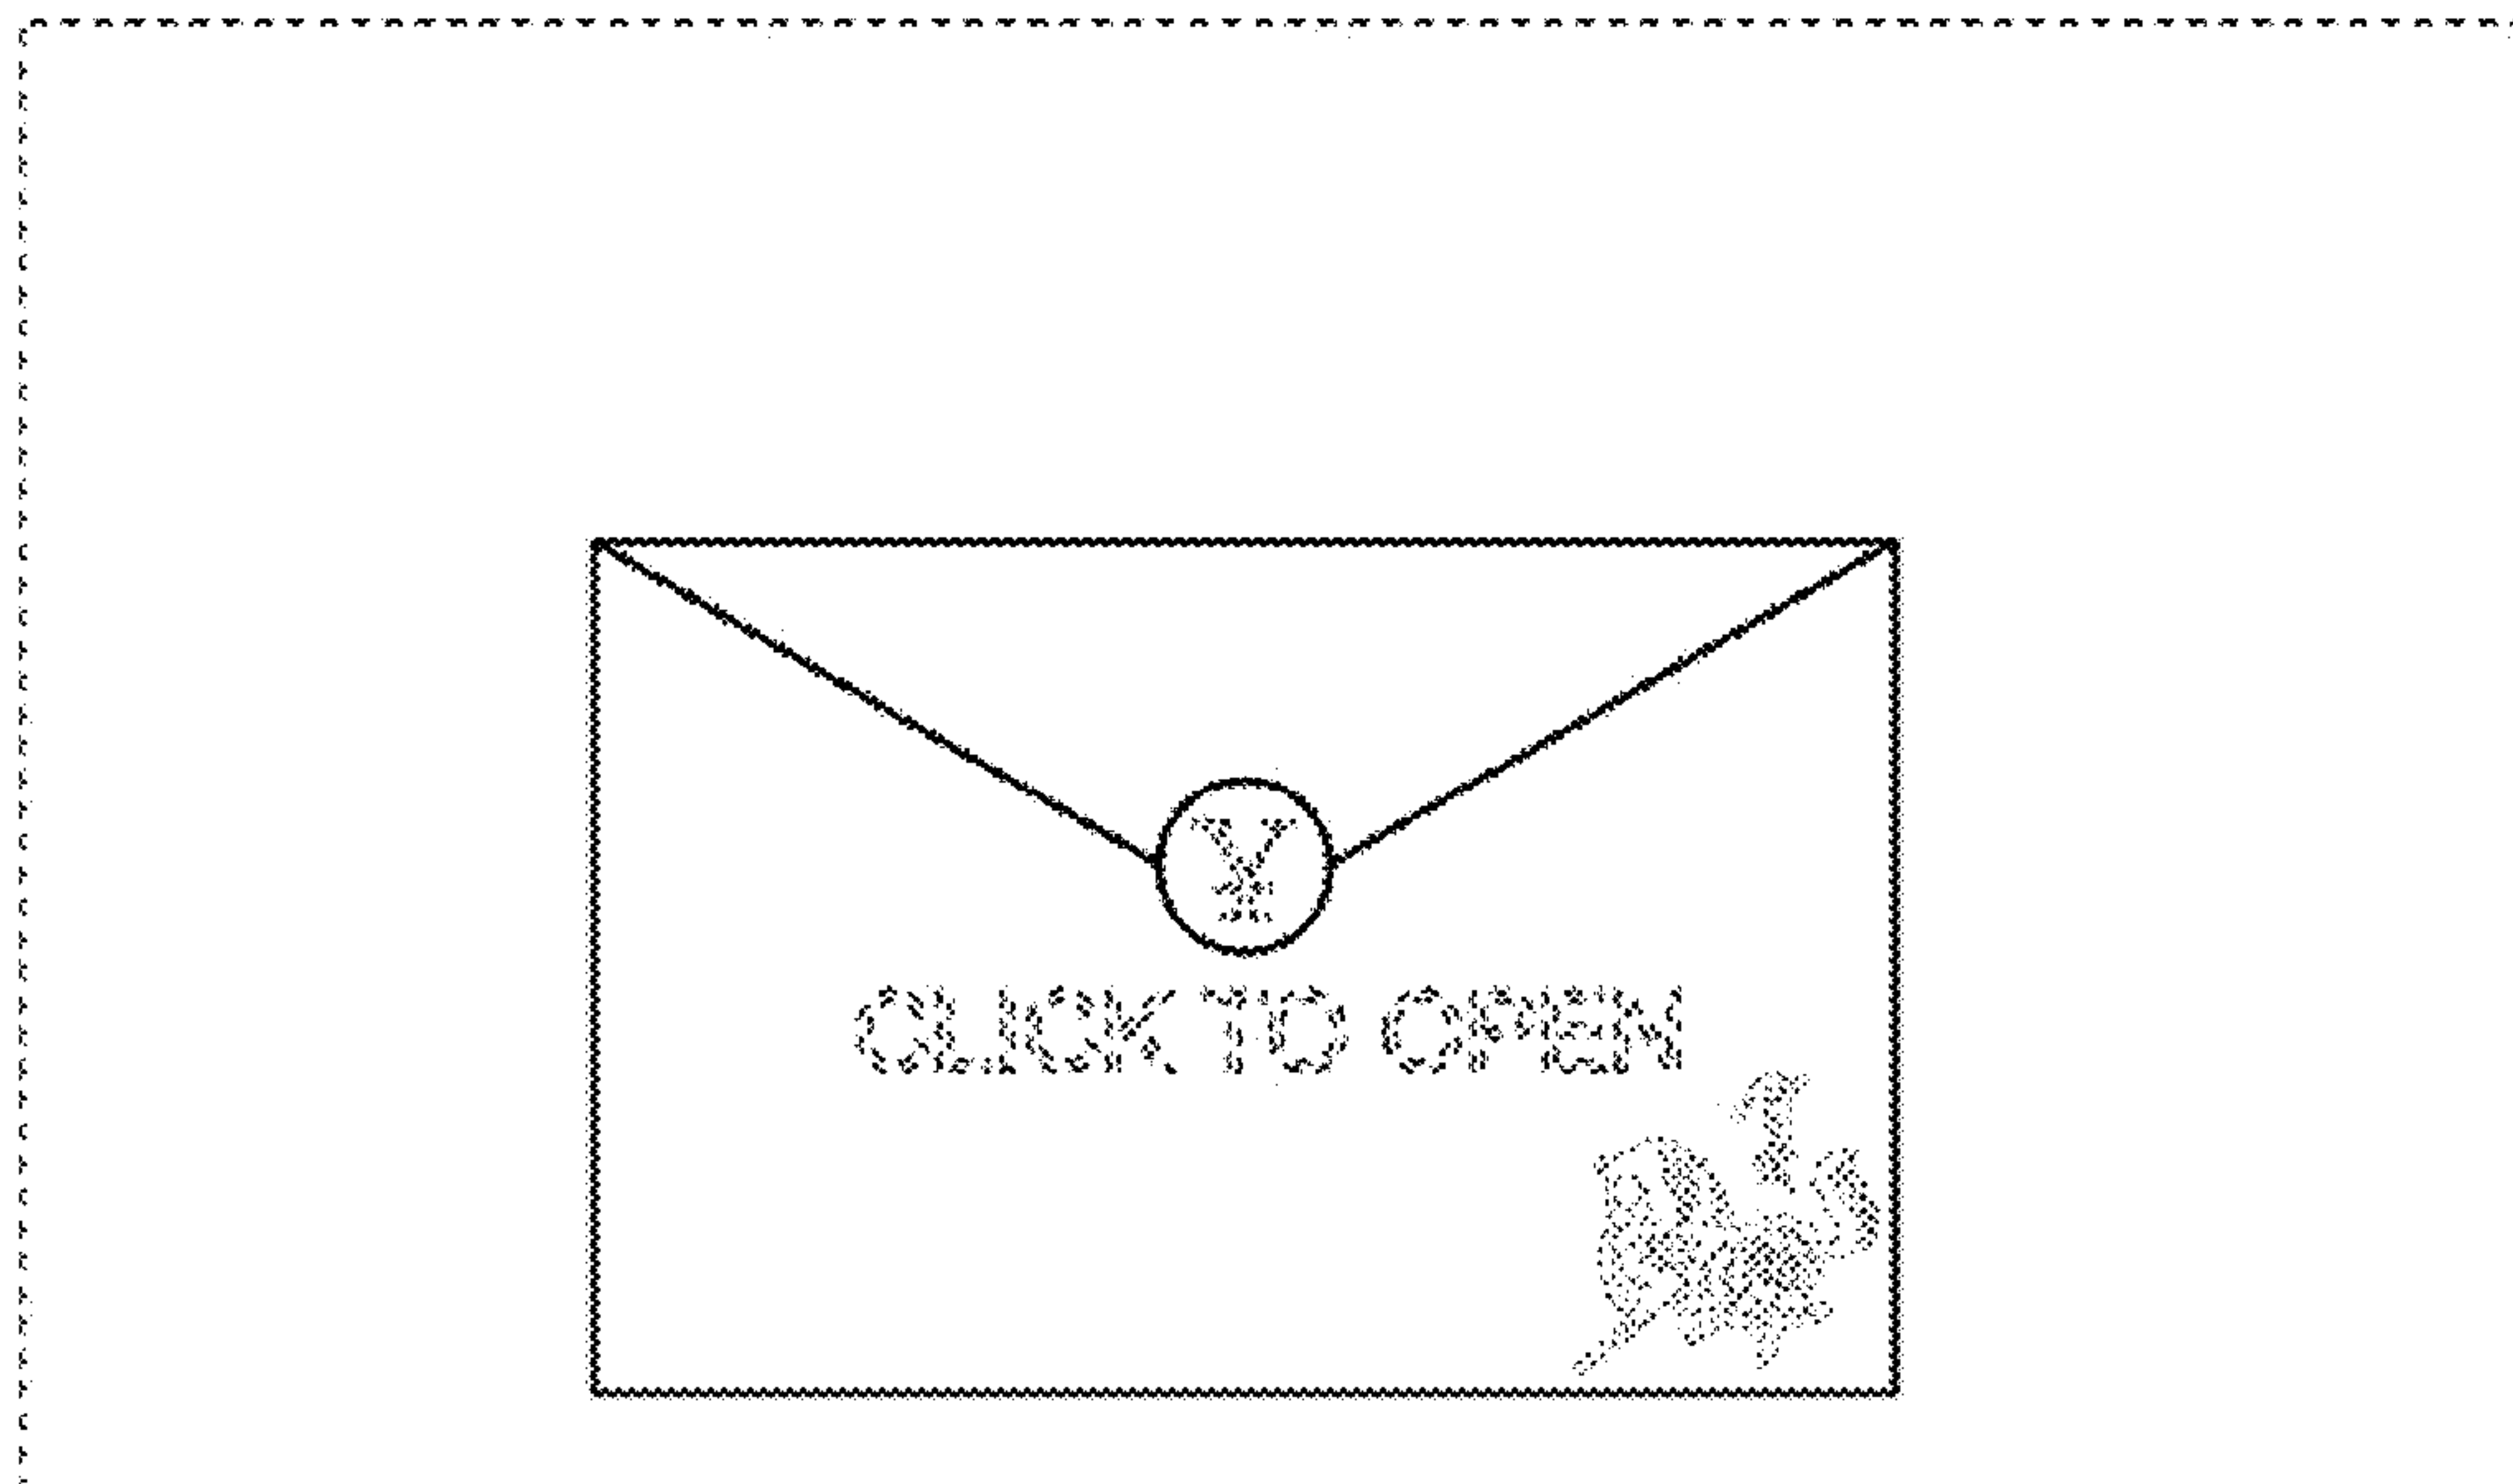

The broken line showing of a portion of a display screen in FIGS. 1 through 2 forms no part of the claimed design. The broken line showing of text and portions of the graphical user interface in FIGS. 1 through 2 represents environmental subject matter and forms no part of the claimed design.
