(57) **CLAIM**

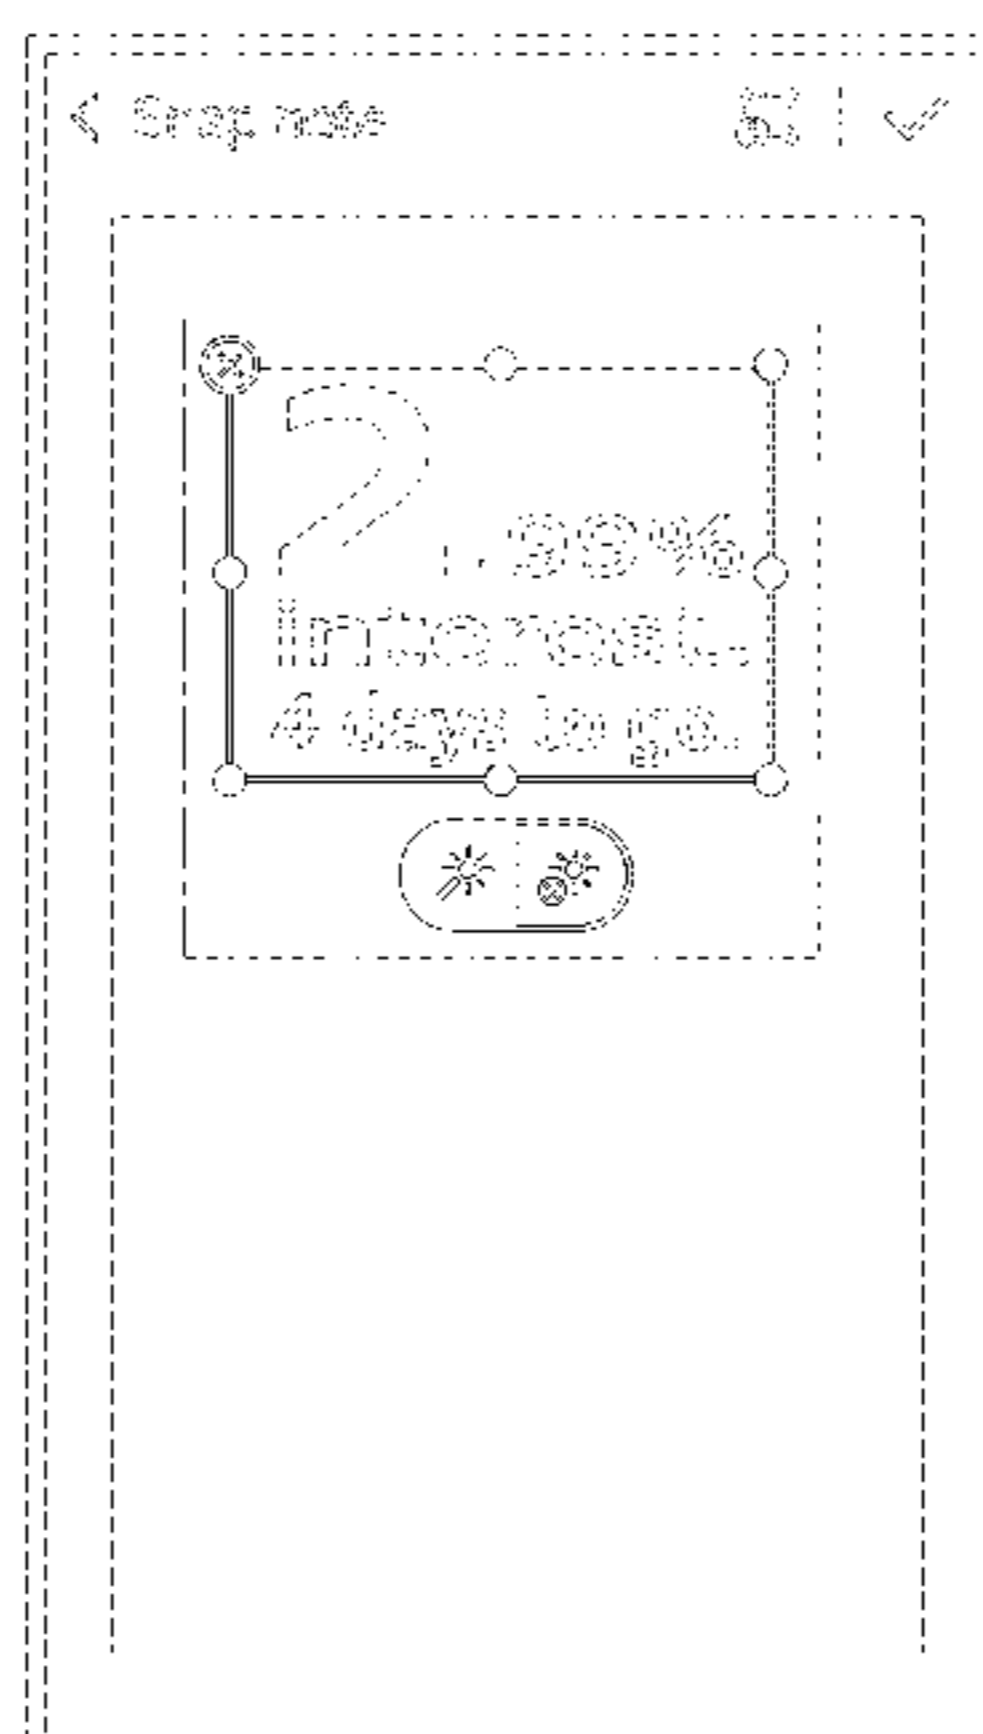

The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

The FIGURE is a front view of a display screen or portion thereof with graphical user interface, showing my new design.

The two outermost dashed broken lines surrounding the FIGURE show a display screen or portion thereof and form no part of the claimed design. The dashed broken lines within the FIGURE show unclaimed portions of the graphical user interface and form no part of the claimed design. The dot-dash broken lines in the FIGURE represent an unclaimed boundary line and form no part of the claimed design.

1 Claim, 1 Drawing Sheet
