See application file for complete search history.

FIG. 1 is the first image in sequence for a display screen or portion thereof with animated graphical user interface showing our new design;  
FIG. 2 is the second image thereof;  
FIG. 3 is the third image thereof; and,  
FIG. 4 is the fourth image thereof.  
The outermost evenly-spaced broken lines illustrate a display screen or portion thereof and form no part of the claimed design. The remaining evenly-spaced broken lines illustrate portions of a graphical user interface and form no part of the claimed design.  
The dot dash lines define the bounds of the claimed design and form no part thereof.  
The appearance of the animated user interface sequentially transitions between the images shown in FIGS. 1-4. The process or period in which one image transitions to another forms no part of the claimed design.
