(57) **CLAIM**

The ornamental design for a portion of a display panel with a computer icon, substantially as shown and described.

DESCRIPTION

The FIGURE is a front view of a portion of a display panel, showing a computer icon.

The outermost broken line represents the border of the display screen or portion thereof and forms no part of the claimed design. The broken lines within the display screen border represent graphical elements and text that form no part of the claimed design.

1 Claim, 1 Drawing Sheet
